

Estate Planning Made *Easy*

Drafting a will and a living will can be a complicated and expensive process.

EstateGuidance® from your Employee Assistance Program eliminates the hassle and high costs with a simple, secure and affordable online tool.

To start:

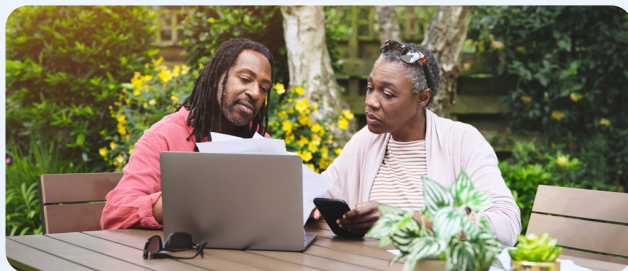

1 Log on to guidanceresources.com

2 Click on the **Browse All Services** button at the bottom of the homepage

3 Under Additional Tools & Resources, click on **EstateGuidance**

4 Click **Continue** to EstateGuidance

5 Complete the easy-to-understand questionnaires and then **print and review your will and living will**, which are **created in real time** using our advanced technology.

Wills - Free

Living Wills/Power of Attorney - \$14.99

Every adult should prepare a will and living will to protect their family and piece of mind. EstateGuidance is a fast, convenient, and affordable way to get it done.
