

BOARD MEETING HIGHLIGHTS
ANCHORAGE INDEPENDENT SCHOOL DISTRICT
March 18, 2026

The board enjoyed coffee from the Unified Champions Coffee Cart, an APS initiative designed to spread cheer and promote inclusion by delivering hot beverages to teachers each week. Students are building adaptive skills by applying what they have learned in the classroom in a real-world setting. Funding for the coffee cart startup was generously donated by the APTA.

At Wednesday's meeting, the board heard a report from Mr. Craig Aossey, from G. Scott & Associates Architects, PLC on the bid options for summer upgrades. He shared plans with detailed drawings of the possible scopes, including new roofing and gutter options for most critical need areas, accessibility upgrades, and updating the electrical power source for the building. Additionally, he shared the Historic Tax Credit application update and a timeline to keep summer projects progressing on schedule. Later in the meeting, the board accepted construction documents for the roofing bid package and granted permission to advertise and bid this scope.

The board also heard facilities, City Council, Superintendent, school, and financial reports. Principal Wallingford shared the analysis of the Impact Survey, a survey of staff around school climate, resources, leadership, and school improvement. Principal Wallingford outlined celebrations, as well as actionable items from the data and next steps. High school placement data was shared and the disaggregation of data by administrators continues. Preliminary summer camp offerings and dates were shared, with a wide variety of academic, athletic, and hobby pursuits.

On consent, the board approved vouchers, a school-wide fundraiser request, School Activity Funds report, and prior meeting minutes. The board approved allocations as recommended by Superintendent Six and Principal Wallingford, allowing for the hire of an additional certified teacher to support strategic pillars with excellence. Job description amendments, a summer camp service provider contract, and a municipal advisor agreement were also adopted by the board.

The next monthly Board Meeting is scheduled for Wednesday, April 22, 2026 at 6:00 p.m in the library. Please contact Superintendent Sharla Six if you have any questions or for more specific details please see the monthly board minutes.
