**Accomplishments:** This year we greatly improved as a team from not only a record standpoint but also as teammates. All of the students built comradery as teammates and friends. Students were shy at the beginning of the year but by the end of the year everyone loved being around each other. For only our second year as a team, we took a big step forward and are excited to continue to grow.

## Boys Basketball

Head Coach: **Brett Snyder**

Team Record - 8-14 (5-13 league)

Accomplishments - Made improvements with player development throughout the season. Competed in most games while losing many scorers of last year's roster to graduation. Win on youth night against a very good senior led Lehighon team that had two 1,000 point scorers. Youth kids got to rush the court after the overtime win and got autographs and posters from the players afterwards. A nice young group of players that play together and work hard are coming back. The JV record was 15-6-1 with two freshmen playing varsity.

Individual Records - Thomas Cahill honorable mention for all league as a freshman and Noah Weiss selected to play in the Lehigh Valley Senior All Star Game in March
