Forsyth Conference Center

Graduation is closer than it feels.

While everyone celebrates the milestone, it's time to think more about the transition that comes next.

New expectations.

New independence.

New decisions.

Senior Summit is designed to help you build the skills that move you forward — in college, in your career, and in life.

You don't need your whole future mapped out. You just need to be ready for your next step.

Be confident.

Be prepared.

Be ready.

Senior Summit Sessions Include:

- Regional Industry and Career Path Research
- Civic Duty and Digital Safety
- Budgeting, Insurance, and Adulting Basics
- Communication and Employability Skills
- Time Management, Organization, and Personal Responsibility
