

HEALTH ADVISORY COMMITTEE MEETING MINUTES

Nederland Independent School District
HEALTH ADVISORY COMMITTEE MEETING

Administration Building
March 19, 2026

Attending: Scott Clemmons, Sissy Dainwood, Chrystal Hancock, Jamie Evans, Renee Bodden, Mandy Ferrell, Lori Hepburn, Steven Nelson, Katlyn LeBaron, Betsy Lee

The meeting was called to order at 3:50 p.m. Committee members introduced themselves and then the minutes were approved from the last meeting (8/6/25). For old business the 2025 Back to School Fair was discussed and summarized. There was an estimated 500 students in attendance with approximately 40 organizations participating. The first year to have the event in the NHS cafeteria was a huge success with a great deal of positive feedback from attendees and vendors alike. For new business, the date for the 2025 Back to School Fair was tentatively set for Wednesday, August 5th in the NHS cafeteria. Renee Bodden then covered the District Wellness Assessment with the committee members in attendance. Betsy Lee informed the committee that CCPTA would be putting boxes out at each campus to collect donations of gently used Bulldog t-shirts to be provided to students at the Back to School Fair. Mandy Ferrell informed the committee that she will be conducting the Stuff the Bus school supply drive again this year. All supplies collected will also be distributed to students at the Back to School Fair. The next meeting date was scheduled for May or June with the specific date to be determined later. The meeting was then adjourned at 4:12 p.m.
