

Speech & Language News

From March

Learning Themes

This month, we've been learning a lot about themes related to Saint Patrick's Day. This is a perfect time of year to do scavenger hunts. We've been learning a lot about colors and rainbows! Also, we've talked about shamrocks and what 'lucky' means!

Activity Idea

Pretend you are a leprechaun looking for a pot of gold! Set up a scavenger hunt! Write clues on rainbows and look for your own "pot of gold". Get creative! Think of fun places to hide things & explore together!

Language at Home

Throughout March, put an emphasis on textures. How do things feel? Are they soft, rough, smooth, furry, scratchy, cold, hot, or wet? Look around your house for items that match a given description! For example, you could search for things that are wet or soft!

◇ "This water feels so cold!" ◇

◇ "Your new blanket is very soft." ◇

◇ "Can you find something smooth?" ◇

◇ "I'm holding something scratchy. What might it be?" ◇

Book of the Month

The Rainbow Book by Kate Ohrt is a fun book that talks about emotions and colors! It can make talking about feelings more fun by associating them with colors.
