

Waiver between Pasco School District

and

Pasco Association of Educators

This waiver applies to the staffing process for the 2026-2027 school year and is not precedent setting regarding the involuntary reassignment and involuntary transfer process (lines 2235-2255 and 2327-2401).

Due to unforeseen circumstances and to protect the continuity of buildings, members who are considered specialists (PE, Music, Art, Library, Technology, etc.) would be exempt from the involuntary reassignment and involuntary transfer process unless their specific class is collapsed. This means a specialist will not be involuntarily reassigned or involuntarily transferred to another position they may be qualified for unless their class has been collapsed. This waiver will not apply to positions that were collapsed or eliminated due to low student Full Time Equivalent (FTE) or low student enrollment.
