As CMAS season approaches, I want to send out a few reminders for preparing our students to do their best.

1. The week of testing, make sure your child is getting a good solid eight or more hours of sleep.
2. Have a healthy breakfast with protein.
3. Equip your child with a sturdy snack and a filled water bottle that will fit under their locker.
4. For those parents choosing to opt their children out, please click on this link by March 31st for the form. [Request for Exemption to Colorado Measures of Academic Success \(CMAS\) Assessments* - North Elementary](#)
5. If you are opting your child out and are keeping them at home, please notify the office using normal protocol.
6. Children who opt out of testing need to come to school with a good book to read.
