WHY TAKE AN ECFE CLASS?

Learning Together

In the children's classroom, parents and children have time to play and learn together. You can choose from many planned activities designed just for you and your child. Learn new ideas for activities to do at home. This time together is planned by a licensed early childhood teacher.

Purposeful Play for Children

Children enjoy learning activities planned by a licensed early childhood teacher. Activities are designed for children to learn through play with their peers. The goal is to help children develop a healthy self-concept and a love for learning.

Connecting With Others

While children are learning with their teachers, parents join together in an informal group setting for a discussion time led by a parent educator. The group discusses current family topics, share ideas, learn more about their child's development, and benefit from feeling connected to parents.

ECFE OFFERS...

- ◆ Fun, affordable classes for families with children birth to five years old
- ◆ Daytime and evening classes
- ◆ Quality time with your child
- ◆ A great place to meet other families with children the same age
- ◆ Parent support and information
- ◆ Fun learning activities for your child
- ◆ Lasting friendships

Early Childhood Screening

A free, simple check of how your child is growing, developing & learning.

Screening is tailored to your child's age—there's no pass or fail.

This screening includes:

- ◆ Cognitive development
- ◆ Large & small muscle development (motor skills)
- ◆ Language & communication
- ◆ Social & emotional development
- ◆ Vision & hearing
- ◆ Height & weight
- ◆ Health history & immunization review

Who should be screened?

Children ages 3–5. We recommend screening at age 3.

Young Royals Preschool

For children ages 3–5 years

A Great Start for Kindergarten Success

Discover a place where children are excited to wonder, create, learn, and grow. At Young Royals Preschool, a love of learning is sparked through hands-on exploration, songs, stories, movement, and play. Our research-informed program builds social-emotional skills, early literacy and math, language, and motor development. As part of Watertown-Mayer Public Schools, Young Royals Preschool offers a warm first school experience and a smooth transition to kindergarten.

Why Families Choose Young Royals Preschool

- ◆ **Individualized Learning & Inclusion:** We get to know each child and tailor instruction so every learner is engaged, supported, and challenged.
- ◆ **Learning Through Play:** Play-based, hands-on experiences help children explore, problem-solve, and build confidence.
- ◆ **Licensed Teachers & Caring Staff:** Our licensed Early Childhood teachers and staff bring expertise, warmth, and a love of children to every classroom.
- ◆ **Engaging Classrooms & Environments:** Bright, welcoming classrooms include centers for dramatic play, art, building, sensory exploration, literacy, and quiet time.
- ◆ **Connected to Watertown-Mayer Schools:** As part of Watertown-Mayer Public Schools, we partner closely with elementary staff to support a seamless bridge to kindergarten.
- ◆ **Family Partnerships:** We partner with families through conferences, regular communication, and resources to support learning at home.
- ◆ **Flexible Program Options:** Morning, afternoon, and full-day options are available for 3- and 4-year-olds to fit your family's schedule.
- ◆ **School Readiness & Support:** Our program is aligned with Minnesota Early Learning Standards and uses ongoing observation and assessment to guide instruction and support each child's growth.

Special Olympics Minnesota

Watertown Mighty Rapids

Special Olympics Minnesota (SOMN) is an organization that empowers people with intellectual disabilities to become included and valued members of their communities, which leads to a more respectful and inclusive society for all. With the support of coaches and volunteers, SOMN provides year-round sports training and competition in 16-Olympic type sports for thousands of children and adults with intellectual disabilities. Through Special Olympics' athletic, health and leadership programs, people with intellectual disabilities transform themselves, their communities and the world.

To be eligible to participate in Special Olympics, you must be at least 8 years old and identified by an agency or professional as having one of the following conditions: intellectual disabilities, cognitive delays as measured by a formal assessment, or significant learning or vocational problems due to cognitive delay that require or have required specially designed instruction.

For questions regarding participating or volunteering, email wmightyrapids@gmail.com Statement of Eligibility Athlete Application (must be completed prior to first practice).

Bocce Ball Ages 8+

The basic principle of bocce is to roll a bocce ball closest to the target ball, which is called a pallina. Bocce provides people the opportunity to have social contact, develop physically and to gain self-confidence. Participants will be divided into Special Olympics Minnesota based on ability level and age to give them a competitive experience. This sport offers a Unified option. This gives individuals both with and without intellectual disabilities a chance to compete on the same team.

An inclusive, non-contact sport that promotes physical fitness, teamwork, leadership, and sportsmanship. Athletes are grouped into divisions based on age and ability level to ensure fair and competitive play. This sport features Unified gameplay, where individuals with and without intellectual disabilities compete together on the same team. This approach fosters inclusion, respect, and camaraderie among all participants. With an emphasis on safety, trained officials enforce rules that minimize physical contact while maintaining a fast-paced, engaging experience. The flag football season typically runs from September through October, providing athletes with opportunities to grow, compete, and build meaningful connections through sport. Athletes must be registered with Special Olympics MN by the first day of practice to play.

Coaches include Dylan Matter, Brad Matter and Darren Schuler.

Water Exercise Classes

Adults 18+ at WM HS Pool, use Door 1

This is an interval-based workout that will combine basic water weights and noodles for strength building, mixed with cardio moves to elevate the heart rate and burn fat. The class fits anyone's fitness level; beginner to advanced. You pick the intensity of the workout that best fits your level. You can tone up and burn fat faster with water exercise, because the water provides a resistance that is up to 12 times that of floor exercise. It's also much easier on the joints because there's very little impact. Pick as many classes that fit into your schedule and come out for some good clean fun and burn up to 525 calories during one class.

Rachel Hoffman found water exercise after she moved to Watertown. She wanted to meet new people while being in an environment she loved. She grew up in the pool and joined a local swim team. After about 10 years of competitive swimming then a small break, she hopped back into the pool with the Watertown Water Exercise class. She filled in as a substitute teacher both in Watertown and Delano, and is now running her own class! Come join her for a fun filled time!

WM Special Education Advisory Council **WMSEAC**

WM SEAC provides parents a community and forum to communicate with the district's special education administration and staff. This parent group also collaborates with district staff to improve special education services and quality of life for children. Parents provide feedback and share their unique perspective with special education services.

Currently we are seeking parent members from each building in our district. The membership of the council can include parents, students with disabilities, community agencies and school staff. Come join us for our remaining 2025-2026 meeting on May 14. For more information please contact Rande Peyton, Director of Special Education, at rande.peyton@wm.k12.mn.us or 952-955-0207

WM Parent Teacher Organization

Watertown-Mayer PTO (WMPTO) strives to extend students' learning through enriched educational experiences, offering opportunities for community and parental involvement, acting as a forum for families to stay connected to school. For more information about:
