

The Doggy Times  
Friday, March 20, 2026

Dear Parents,

We met Mr. C on Monday! He wears a colossal cap, and he is very shy. Mr. C also loves caterpillars! We learned all about caterpillars and the life cycle of the butterfly. We made caterpillars in cocoons, and we made insect and butterfly headbands. We learned lots of interesting facts about many other insects, too. We learned that insects have three body parts: a head, a thorax and an abdomen. Insects also have six legs and two antennae.

On Tuesday, we celebrated St. Patrick's Day. We made adorable leprechaun headdresses, and we read stories about St. Patrick. We set a trap for the leprechaun in our classroom with lots of green trinkets to lure him into our trap. We almost caught him! He was very naughty though and made a huge mess in our classroom to play a trick on us. To make up for his naughtiness, he left us little black pots, and he left us some gold! It was so much fun going on a gold hunt in our play yard! We had quite an exciting day!

On Thursday, we read the story *The Very Hungry Caterpillar* by Eric Carle. We created our own caterpillars using egg cartons. We placed them in cocoons and hung them all over our classroom. We can't wait to see them turn into beautiful butterflies!

**Reminders:**

- Monday - Library books due
- Friday - Show and Tell - Something that begins with LI
- Thursday, April 2<sup>nd</sup> - Easter party!
- April 3<sup>rd</sup> - April 10<sup>th</sup> - Easter holidays
- Monday, April 13<sup>th</sup> - School resumes

Our Easter party will be held in Mrs. Bilbe's play yard at 10:00 a.m. on Thursday, April 2<sup>nd</sup>. A Signup Genius will be coming soon. We are asking that everyone send in 21 Easter eggs filled with candy, stickers, trinkets, etc. Also, each child's name should be written on each egg with a permanent marker. We will be sending a class list home soon! More information will be coming next week!

Have a great weekend,  
Cathy and Libby
