

Dear Rilke Schule Parents and Community,

Prior to the ASD board meeting Tuesday November 4, the Rilke Schule Academic Policy Committee (APC) would like to give a brief update on Rightsizing.

For review of the Rightsizing timeline and background on Rilke's building request: [Rilke Schule Parent Communication 10.20.25](#)

During the Rilke APC work session meeting on October 16, 2025, Herr Vincent-Lang presented information about the Lake Otis Elementary Building to the APC. The presentation highlighted the positives and showed a realistic and viable option for Rilke Schule to explore further.

Timeline for ASD Decision Making Moving Forward:

November 4 - ASD School board will meet and Rightsizing will be a discussion only item.

November 18 - ASD School board will vote on Rightsizing recommendations. We encourage you to [watch](#) both meetings.

On October 31 the APC sent a second letter to the ASD School Board expressing our interest in the potential offer of the Lake Otis building. [Board letter 10.31.](#)

During the November 4th ASD School Board meeting, the Rilke Administration and the Tri-Board Chairs (RSI, RSV and APC) wish to present a united front and plan to testify in support of Rilke Schule obtaining an offer for the Lake Otis Building. If you plan to give testimony at either of the ASD Board meetings, please continue to be mindful and respectful of the other affected communities in this rightsizing process.

If you have any questions about the Rightsizing process or wish to share your thoughts about Rightsizing with our APC board, kindly email APC_Rilke@asdk12.org, or members individually (see [contact](#) list.)

If the ASD School Board offers the Lake Otis Building to Rilke, the APC and the administration will hold a Townhall meeting to gather parent input.

Sincerely,

Rilke Schule Academic Policy Committee
