5th Grade Update

Welcome to Spring Break! We hope you and your students have a wonderful, refreshing week together.

It was a great week in 5th grade. We wrapped up math and spelling tests, presented our recitation of *A Poison Tree*, and enjoyed some time outside on a nature walk. With the sunshine here, we hope this break brings rest, fun, and special time together.

We look forward to seeing everyone again in two weeks as we return ready and confident! The Service Run will happen that Wednesday and then CMAS testing is just around the corner. We know our students will do great!

Sign up to help with the Service Run here.

Siblings at Service Run

Siblings are warmly invited to come support and cheer on their brother or sister during the Service Run! To help keep everyone safe and focused, we ask that siblings please stay off the track and not participate in the run. If weather requires us to move indoors, we kindly ask that siblings not enter the gym during the event. Thank you for your understanding and support!
