

# Reading Challenge Summer Program

The Reading Challenge Summer Program is made just for rising 4th-8th graders who love adventures—both on the page and beyond! This summer, students will dive into book genres, from thrilling mysteries and magical fantasies to laugh-out-loud stories and fascinating nonfiction. Along the way, they'll take part in exciting, literacy-centered activities, creative challenges, and games that bring books to life.

June 22-26, 2026

Elementary - 7:30 AM-2:30 PM  
Middle - 8:30 AM-3:30 PM

Cary Reynolds Elementary School  
McLendon Elementary School  
Panola Way Elementary School
