Child Nutrition Eligibility & Education Benefit Application (CNEEB)

The Auburn School District has been approved to participate in the Federal Community Eligibility Provision (CEP) that provides school breakfast and lunch at no charge for all enrolled ASD students regardless of family household income. We are so excited to offer healthy, nutritious meals to all ASD students.

Schools participating in Community Eligibility Provision (CEP) use the CNEEB Application to gather important income data to qualify for school funding. The CNEEB Application replaces the previous Family Income Survey (FIS) form.

The CNEEB Application helps to fund school programs, may waive school fees & qualify your family for other community programs.

School Funds tied to the CNEEB include:

- Before and After school academic and enrichment programs
- Learning Assistance Program (LAP)
- Resources for classrooms and teachers
- Additional School Support Staffing

Completing the CNEEB could qualify students for programs or waive/reduce fees:

- SUN Bucks EBT eligibility
- Scholarships eligibility
- ASB/Athletic card
- Field Trips/ Extra Curricular Activities

EVERY ELIGIBLE CNEEB COUNTS!

Every eligible CNEEB that is not submitted means lost resources for our schools. Submit your completed CNEEB Application as soon as possible to help make sure it counts toward potential new funding for our school this year.

Primary Guardians please take a moment to complete your CNEEB Application

- Fill out & turn in the CNEEB Application to your School/Child Nutrition office
- Or submit Online via **Skyward**

CNEEB's are available in these languages:

English **Spanish** **Marshallese**
