

# AIHS 17th Weekly Announcements

March 21, 2026

## WELCOME TO THE 17th NEWSLETTER

Can you believe we have already completed 28 weeks of school? Still chilly but at least daylight savings has given us more light! So here we are this week with some interesting things to report!

### St. Patrick's Celebration

As a surprise to the students, Bethany arranged to get Hodgies II to donate ice cream for a celebration. Staff joined in with the "wearing of the green" and it was a nice little break in the middle of the day!!

Beth Scooping

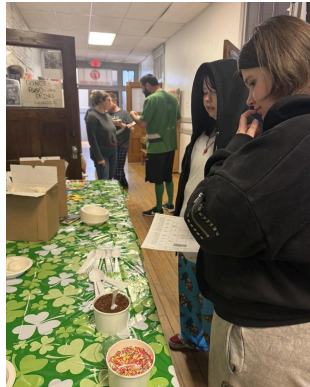

Jon & Carol - same clan

Jace said he's part Irish-- Rainbow Sprinkles - BEST Maybe the cookie part

A huge success

Trix & Karma--Decisions

School Week 29

Cashman Elementary School  
For girls in grades K-6  
And someone important in their lives

Tickets will go on sale shortly

## Even Principals have to have a Mentor/Teacher!

*This is Evan with his Mentor, Mary Malone*

**Evan, please explain what this mentor program is all about, why do you have one, how long you have to have a mentor and what will it accomplish?**

"My mentor/mentee program is through the Massachusetts School Administrators' Association. This program comes recommended by DESE, and "provides mentorship and coaching for educational leaders, primarily through their New Administrators Coaching Program. This initiative pairs experienced, established administrators with early-career principals and assistant principals to provide one-on-one guidance, support, and professional growth."

"This program requires at least 50 hours of meeting time, and provides me with someone that I can check in with when I have questions regarding all aspects of being a principal. We meet at least twice a month, and she has helped support me with feedback after attending staff meetings and staff observations, and also with community building, communication with families, leadership, managing and developing staff, and all things related to, "What Makes a Principal Great?" Although I am not sure about a certificate or notice of completion, I will certainly rely on and turn to the many lessons that I have learned from Mary."

"The Superintendent worked with MSAA to select a mentor that would fit with my profile, our school profile, and had experience supporting and working with non-traditional schools. She also worked with Mary at the beginning to provide her with some focus areas that she thought I may benefit from, which has been helpful in guiding the experience."

## "TEAM" BUILDING

In an effort to build AIHS school community involvement and "team building," staff handed out the bracket sheets for AIHS students who wanted to participate to follow along with teams in March Madness to see how the different teams fared. It gives the students a chance to share, collaborate and connect!

Here Evan is explaining the whole process to Milyna who seems pretty fascinated. This is only for fun

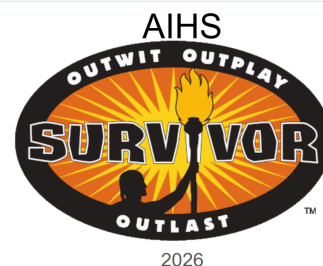

## REMINDER!!

This is a HUGE reminder that MCAS will be held for SOPHOMORES on Tuesday, March 24th and Wednesday March 25th. **THEY SHOULD BE HERE PROMPTLY AT OR BEFORE 8:30 AM.**

The Freshmen, Juniors and Seniors on Tuesday, March 24th and Wednesday March 25th will arrive at 10:30 AM!

\* \* \* \* \*

On Friday students worked together on another team building exercise. Pictures will be forthcoming next week but ask them about it!! They had fun!!
