## Ballet Folklorico

Learn traditional dances of Mexico! Master Teaching Artists teach you to perform elegant dances in vibrant costumes while making new friends of different backgrounds as you celebrate culture!

## Creative Art

Make group projects, fun individual art, and exciting crafts! Use your imagination, build new skills, and make friends while creating awesome art.

## Cooking Club

We cook easy, accessible, and healthy meals with attention to growing our pallet, trying new things, learning basic kitchen skills and an appreciation for individual preference and need. Safety and fun are high priorities!

## Girl Scouts Afterschool

Build confidence while having fun in an environment meant to allow them to try, fail, grow and succeed. All program participants will work toward legacy badges like Artist, Citizen, First Aid, and Girl Scout Way.

## Mini Sports

Its never to early to start playing sports! Participants will spend the session participating in different sports to build a wide range of skills and have fun!

## Sports Jam

Spend the session participating in sports to build a wide range of skills and have fun! Sports may consist of but are not limited to soccer, basketball, flag football, group activities and free-play games

## STEAM Crew

Explore Science, Technology, Engineering, Art, and Math through hands-on projects, exciting experiments, and interactive lessons. From building robots and making slime to creating art, exploring music production, and even trying out beginner AI projects, every day brings something new!

## Vision Step Team

A dynamic, girl-centered program that uses the art of African American stepping to build confidence, leadership and sisterhood. Rooted in culture and community, it empowers girls to shine on stage and in life.

*Programs are subject to change. Please check the Compass App for the most up-to-date information.*

## About the program

Parks Tacoma and community partners have come together to offer fun, meaningful after school activities to elementary school students.

Beyond the Bell activities take place at all of Tacoma's elementary schools from when school gets out to 5:45pm on program days. To learn more about the program visit [BeyondtheBellTacoma.org](http://BeyondtheBellTacoma.org).

## Register on COMPASS

Register on COMPASS (the TPS Family App), and visit the activities page to see program options at your student's school and sign up.
