"1984." It was a year full of memories, both good and bad. It was a year of breathtaking wins and sullen losses. But no matter how hard we tried, we pulled through with stride and energy. We bring you the Milestone. It is a memoir of the trials and tribulations we encountered. The 1984 Milestone is a valuable possession to all who like to think of life as it is — and those who like to remember the way it was. Enjoy!

HONORS BANQUET

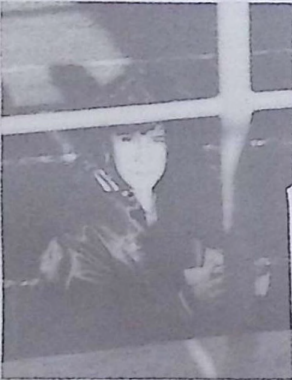

This year 161 students and almost 300 parents were present at the annual Awards Banquet. One of the pleasures of being a school administrator is being able to present awards to deserving students. Our students got their awards the hard way — they earned them.
