# EDITORS

This is a special year for the MILESTONE. The year 1986 is the 25th year for the Berne Union yearbook. I hope that we were able to capture the spirit of 1986 and that this yearbook will be a special one for you.

Hard work, dedication, care and energy are just a few of the things that made the MILESTONE possible. I would like to thank all of those people who worked extra hours to help us and to everyone who took pictures for us. Thanks!

The memories that were captured in this book will be here forever; so whenever things look bad, just look through this book and remember the "good old days."

# GOOD LUCK MRS. HODGE

The faculty section of the 1986 edition of the Milestone is dedicated to Mrs. Rosalind Hodge, who has devoted 30 years of her life to the children of Berne Township. Mrs. Hodge has been a teacher and librarian for 35 years and 30 years of that total has been spent at Berne Union High School.

She has been a devoted wife, mother, teacher, and employee for a very long time. She is an admired and respected community member who will retire at the end of this school year. We know that Mrs. Hodge will continue to help people. Good Luck!!

We were fortunate to have two foreign exchange students at Berne Union this year — Ramon Iruretagoyena from Spain and Morten Gahrn from Denmark. Ramon and Morten were involved in many school-related activities and made lots of friends during their visit here.

We hope these young men enjoyed their visit at B.U. as much as we enjoyed having them here.

We wish you the best, guys. Keep in touch.

I wish that I could know  
The places I have yet to go,  
The ways I'll change,  
The things I'll do,  
The special dreams I'll make come true.  
I wish, I wish that I could see  
The life that lies ahead of me.
