**ICS MILAN**  
INTERNATIONAL SCHOOL

# THEMES

**29 June-3 July**

**Pirate Adventure**

Ahoy, mateys! Set sail for a thrilling week of pirate fun! Children will embark on exciting treasure hunts, create their own pirate hats and maps, and enjoy pirate-themed stories and games. Get ready for a swashbuckling adventure filled with imagination, teamwork, and plenty of "Arrrghs!"

**6-10 July**

**Mad Science Week**

Get ready for a week full of wonder and discovery! Young scientists will explore fun and hands-on experiments, exciting science crafts, and mind-blowing activities that spark curiosity. From bubbling potions to magical reactions, it's time to put on our lab coats and dive into the world of science!

**13-17 July**

**Superheroes!**

Every child is a superhero! This week, we'll celebrate the power of kindness, bravery, and teamwork. Through fun activities like superhero mask making, exciting missions, and heroic games, children will discover that their greatest superpowers come from within – being kind, helpful, and caring. Together, we'll learn that true heroes make the world a better place every day!

**20-24 July**

**Under the Sea**

Dive into a fun-filled week exploring the wonders of the ocean! Children will enjoy exciting activities such as ocean-themed crafts, underwater adventures through stories and songs, and sensory play inspired by sea creatures. Each day will be packed with creativity, learning, and exploration as we discover life beneath the waves. Get ready for a splash-tastic time!

**27-31 July**

**Up, up and away**

Children will learn about everything that flies, from bees and butterflies to rockets and hot air balloons. Through hands on activities and experiments, children will enjoy learning about what goes on up in the sky!
