SEAL Class Fun

This month in SEAL, students are learning about cooperation, which is working together to reach shared goals. Pictured are students in a 3rd grade class huddled up with their "team" to prepare to share their opinion with the other team. Teams were tasked with using their perspective-taking skills to listen and share in a kind way, even when you don't share the same opinion. Next is a 4th grade group working together to build a cup stack without touching them! They were able to expertly navigate this challenge using their cooperation and communication skills!

Egg Hunt

Hampden Kiwanis & H.A. Key Club Annual Easter Egg Hunt

Saturday, April 4, 2026
10:00 A.M. Rain or Shine
Behind McGraw School

The Hampden Kiwanis Club invites all toddlers and grammar school boys and girls through grade 5 to their annual Easter Egg Hunt. The children will hunt for egg-shaped tokens that can be turned in for a variety of prizes such as candy, Easter baskets, and stuffed animals.

All children attending will win a prize.

This activity is not affiliated with or endorsed by RSU#22 or any of its schools.

RSU 22 Education Foundation Expo and Carnival

The poster features a collage of images: a person in a ghost costume, a group of people around a CPR mannequin, a nurse at a table, and a young girl with colorful face paint. The background is teal with yellow accents. A circular seal at the top center contains the year '1803' and the motto 'PROGRESSIO NULLA RETRO'.

🌸 Jump Into Spring: Seasonal Allergies 🌸

Spring brings seasonal allergies. Knowing the difference between allergies and illness helps students stay healthy and ready to learn.

Know the Triggers: Common allergens include pollen, grass, dust mites, and pet dander. Monitor local pollen levels and try to keep windows closed on high-pollen days.

Practice Prevention: Encourage children to wash their hands and faces after playing outside, and change clothes when coming indoors. Showering before bed can help reduce nighttime symptoms.

How to tell if it's Allergies or a Cold?

- ❖ **Allergies:** Sneezing, itchy/watery eyes, clear nasal discharge, no fever.
- ❖ **Colds:** Thicker mucus, possible fever, body aches, fatigue, usually resolve in 7–10 days.

👉 **When in doubt: Reach out to your child's pediatrician for support.**

Lunch Menu

School Meals with a Milk are offered at NO CHARGE Milk for Home lunch \$0.55		McGraw / Weatherbee			Breakfast Entrée or Cereal Fruit, Juice, Milk
March Lunch Menu
