Richmond County School System to Resume Normal Operations Tuesday, March 17

(AUGUSTA, GEORGIA) – The Richmond County School System will reopen all schools and offices and resume normal operations tomorrow, **Tuesday, March 17, 2026**. While the decision to close today was made out of an abundance of caution due to forecasted weather conditions, all facilities have been cleared for a safe return. All extracurricular activities and scheduled programs will proceed as normal.

We would like to thank our students, parents, and staff for their patience and diligence as we worked to prioritize the safety of our school community. For additional information or updates regarding rescheduled meetings, please visit the district’s weather landing page at www.rcboe.org/weatherupdates or monitor the Infinite Campus Parent Portal.
