Emergency/Snow Days

As previously noted, we have run out of emergency days/snow days as we have thus far used our allotted three days. Therefore, whether it is snow or any other unforeseen reason that we have to close from now until the end of this school year, we will use the following plan.

- **If we need one (1) extra day, we will shift April 3rd from a Full Day to an Early Dismissal.**
 - **If we need more than one (1) day, we will in turn shorten the spring break.**
