THE YEAR IN REVIEW

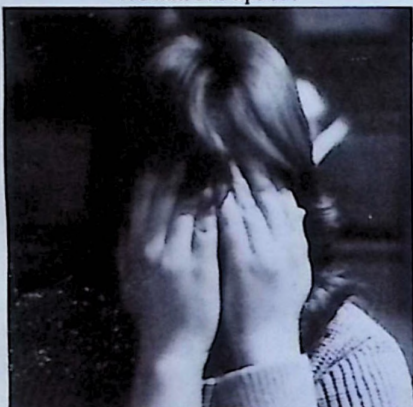

We had our ups ...

and downs ...

Happy times ...

Sad times ...

Glad times ...

Quiet times ...

Proud times ...

Loud times ...

Hard times ...

And finally a time for quiet reflection.

As yearbook editors of the 1984-85 Milestone, both Pam and I have met and overcome many obstacles. Each day brought many new challenges. The most frequent but also the most important challenge that we met was the need for self-motivation. To face each day and the unending pile of work sometimes seemed more than we could handle, but with the help of Mrs. Davis and our yearbook staff, we made it.

I hope that you enjoy the improvements that we have made. I would like to give a special thanks to our advisor, Mrs. Davis, for help above and beyond the call of duty. Most of all, I would like to thank both Pam's parents and mine, and God, for all of their strength and encouragement. Without them this issue of the Milestone would not have been possible.

Melissa
