### Student Lunch Account

All students are issued a personal lunch account number or code when they enter Washingtonville CSD. We encourage you to work with your student to memorize this number. Students will use this code throughout their time in the district to identify themselves at the register. The use of this number speeds up service for all students and gives them more time to enjoy their lunch.

Although we will be accepting cash and issuing change this year, we continue to encourage students to use their lunch account as much as possible. If you have not done so please go to [MySchoolBucks.com](http://MySchoolBucks.com) and create an account. Funds can be deposited on-line via the website, by using the MySchoolBucks app or in the cafeteria with a cash payment or check made payable to "WCSD Lunch Fund".

Please remember students are not permitted to charge negative on their lunch fund accounts.
