REF: 2026 Indiana Sheriffs' Association Youth Leadership Camp

The Indiana Sheriffs' Association will again be sponsoring two sessions of the Indiana Sheriffs' Association Youth Leadership Camp this summer.

The Youth Leadership Camp is a program provided by Indiana Sheriffs for boys and girls who are currently in the 7th or 8th grade of school and are interested in learning more about a possible career in law enforcement. The camp provides a very meaningful experience and relationship with other campers from throughout the state and sheriff's officers who serve as counselors and instructors.

Enclosed you will find two (2) applications (make additional copies as needed, be sure to copy both sides) for the camp that may be passed out to any graduating 7th or 8th grader who is interested in attending either session. They may also contact their Sheriff for additional applications or information pertaining to the camp or for possible sponsorship through a local business or civic organization.

The northern session of the camp will be held June 22-24, 2026, at Pine Creek Camp in Pine Village, Indiana (Warren County). The southern session of the Indiana Sheriffs' Association Youth Leadership Camp will be held June 15-17, 2026, at FFA Leadership Center in Trafalgar, Indiana (Johnson County).

If there is a time the Sheriff or one of his deputies can come into your school to answer questions or hand out applications, please let your Sheriff know. If your Sheriff, or one of his deputies, does not make a presentation to your students, please feel free to make this information available to them.
