

Bloomfield Township CLEAN SWEEP

This year around Earth Day, Township residents can participate in Clean Sweep.

Clean Sweep Event in April

The Township would like to encourage all community members to volunteer some time and effort to help keep the appearance of our roadways and subdivisions looking clean and litter free, thereby maintaining the beauty that both residents and visitors alike have come to expect from Bloomfield Township.

Volunteers are asked to help collect litter and debris deposited during the winter season from safety paths and subdivision entrances.

To ensure a Clean Sweep success, we ask that you help us spread the word to your neighbors, churches, homeowner associations, scout troops, PTA, sports teams and/or anywhere else you might feel would help to spread the word and encourage community members to become involved. Clean Sweep is also a great opportunity for students needing community service hours for their schools.
