

# HEALTH SCIENCES

**Be the Future of Care and Discovery.** Do you want to make a difference in people's lives every single day? A career in Health Sciences puts you on the front lines of helping others. From saving lives in emergency rooms to developing new medicines and technologies, Health Sciences careers are all about solving problems, caring for people, and shaping the future of healthcare.

## POTENTIAL CAREER OPPORTUNITIES

### Certificate / Short-Term Training

Emergency Medical Technician (EMT)  
Paramedic  
Medical Billing & Coding Technician  
Medical Assistant  
Pharmacy Technician  
Dental Assistant  
EKG Technician  
Dental Assistant  
Patient Transporters  
Certified Nursing Assistant  
Phlebotomist

### Associate's Degree

Associate Degree in Nursing (ADN)  
Radiologic Technologist  
Physical Therapist Assistant  
Occupational Therapy Assistant  
Respiratory Therapist  
Sonographers  
Veterinary Technician  
Dental Hygienist  
Licensed Practical Nurses (LPN)

### Bachelor's Degree

Dietician & Nutritionist  
Registered Nurse (RN)  
Pharmaceutical Sales Representative  
Public Health Analyst  
Patient Care Coordinator  
Healthcare Administrator  
Clinical Research Coordinator  
Medical Laboratory Scientist

### Master's / Doctoral / Professional Degree

Physician Assistant  
Nurse Practitioner  
Occupational Therapist  
Physical Therapist  
Speech-Language Pathologist  
Medical Doctor (MD)  
Doctor of Osteopathy (DO)  
Dentist (DDS/DMD)  
Optometrist  
Clinical Psychologist  
Chiropractor  
Psychologist  
Veterinarian
