summer ar

Stop by the Elementary Media Center to set your summer reading goal with Mrs. Drussell and check out books to get started!

Prefer to request specific titles? We're happy to help! Students can submit book requests through our online catalog (just like they've been doing during the school year), or you may email requests directly to **Mrs. Drussell at sdrussell@hawley.k12.mn.us**. Once your books are ready, simply pick them up in the media center.

As always, summer AR points are doubled for end-of-session spending! That means if you earn 25 points, you'll get to spend 50!

Students who meet their reading goal will:

- Be eligible to shop with their earned points
- Be entered into prize drawings
- Attend our end-of-session pool party

Please note: Students must meet their goal to shop, be entered into drawings, and attend the pool party.

Students will also be able to test from home. Mrs. Drussell will monitor testing and track progress toward goals throughout the summer. Let's make it a great summer of reading!

LEVEL 1: WATER EXPLORATION

The student will become oriented to the aquatic environment and create a sound foundation for aquatic and safety skills. The course content includes supported floating and kicking on front and back. Alternating arm action. Water safety rules. How to get help in an emergency. Reaching assists without equipment.

Fundamentals of using a life jacket.

The student must be able to be unaccompanied in the water to take Level 1. Students should also be the age of 4 before the class starts.

LEVEL 2: FUNDAMENTAL AQUATIC SKILLS

Students will expand on fundamental aquatic locomotion and safety skills. The course content includes floating and kicking on front and back, rhythmic breathing; combined stroke on front and back; turning over front to back, back to front; reaching and extension assists, and familiarity with rescue breathing.

LEVEL 3: STROKE READINESS

The purpose of this level is to increase swimming skill competency and practice safety and rescue skills. The course content includes fundamentals of elementary backstroke; jumping into deep water with a life jacket; diving from the side of the pool; treading water; self-rescue skills; and rescue breathing.

LEVEL 4: STROKE DEVELOPMENT

This level will develop confidence and competency in strokes and safety skills beyond preceding levels and introduction of the breaststroke and sidestroke. The course content includes deep water bobbing; dives from the side of the pool from stride and standing positions; breaststroke and sidestroke; turns at the wall; and familiarity with CPR.

LEVEL 5: STROKE REFINEMENT

The purpose is to continue refinement of front crawl, back crawl, elementary backstroke, breaststroke, and sidestroke and the introduction of the butterfly, and surface dives. The course content includes alternate breathing; swimming underwater; butterfly; open turns on the front and back; driving safety, and beginning diving progression.

LEVEL 6: SWIMMING SKILL PROFICIENCY

The objective of Level Six is to polish strokes so students swim with more ease, efficiency, power, and smoothness over greater distances. The course content includes incorporating learn-to-swim skills and activities into lifetime fitness, in-water rescue techniques utilizing equipment; conditioning principles; and review basic water-safety skills.
