Choose any classes below to further
your science education

Once you have completed your core Science sequence, choose any elective classes to further your science education. Additional credits will be counted toward elective credit on your transcript.

Ecology

1.0 credit / 10th - 12th Grade

Biotechnology

1.0 credit / 10th - 12th Grade

AP Physics 1

1.0 credit / 10th - 12th Grade

AP Environmental Science

1.0 credit / 10th - 12th Grade

Human Anatomy & Physiology

1.0 credit / 11th - 12th Grade

AP Physics C: Mechanics

1.0 credit / 11th - 12th Grade

AP Biology

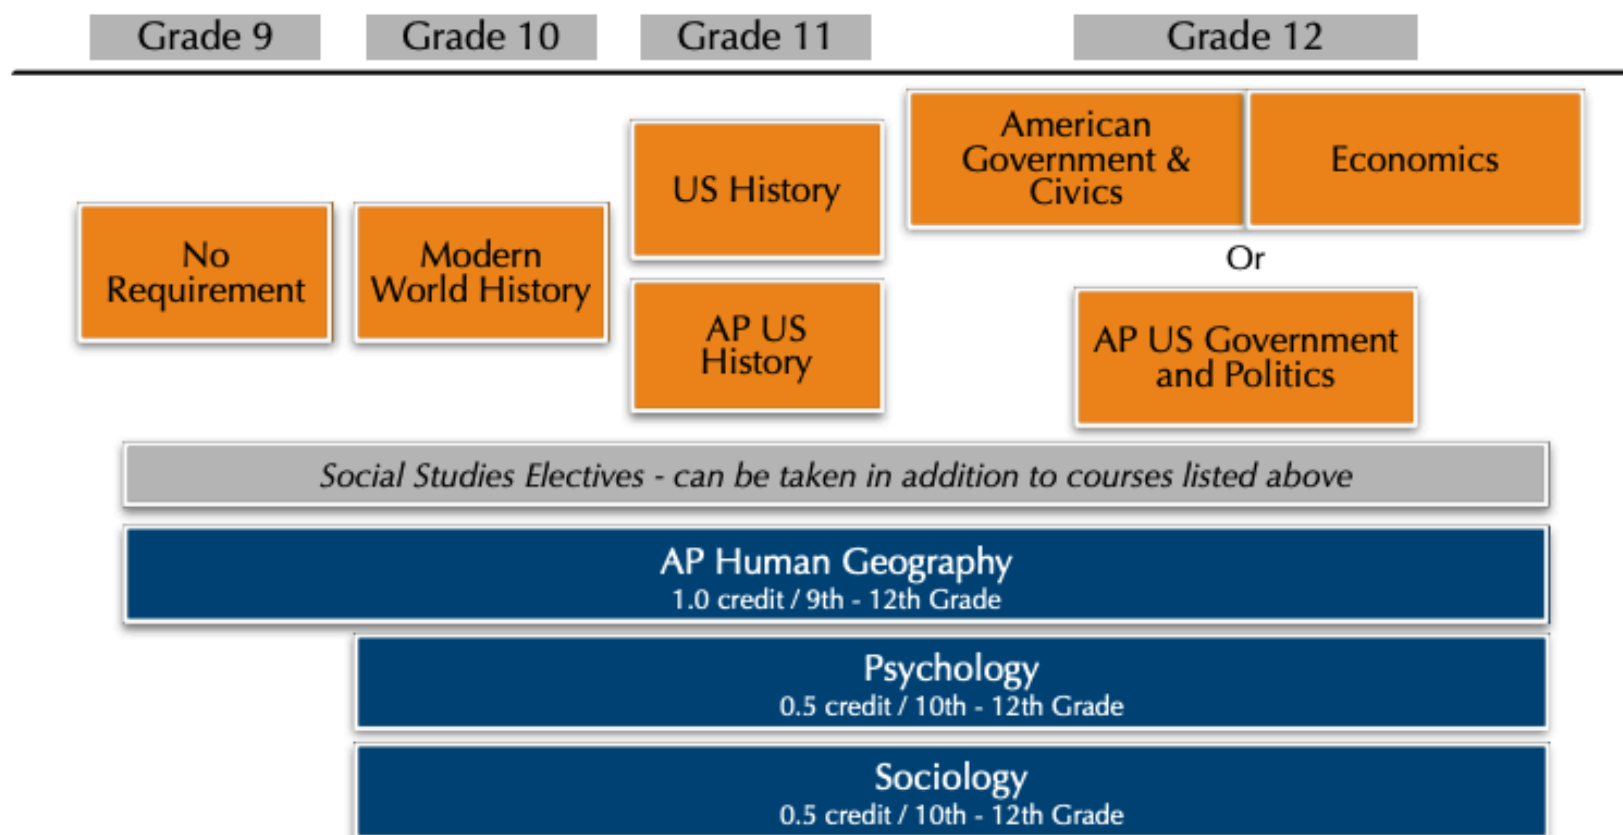

1.0 credit / 11th - 12th Grade

AP Physics 2

1.0 credit / 11th - 12th Grade
