Registering for Open Recreation Swim in the upgraded Dash system

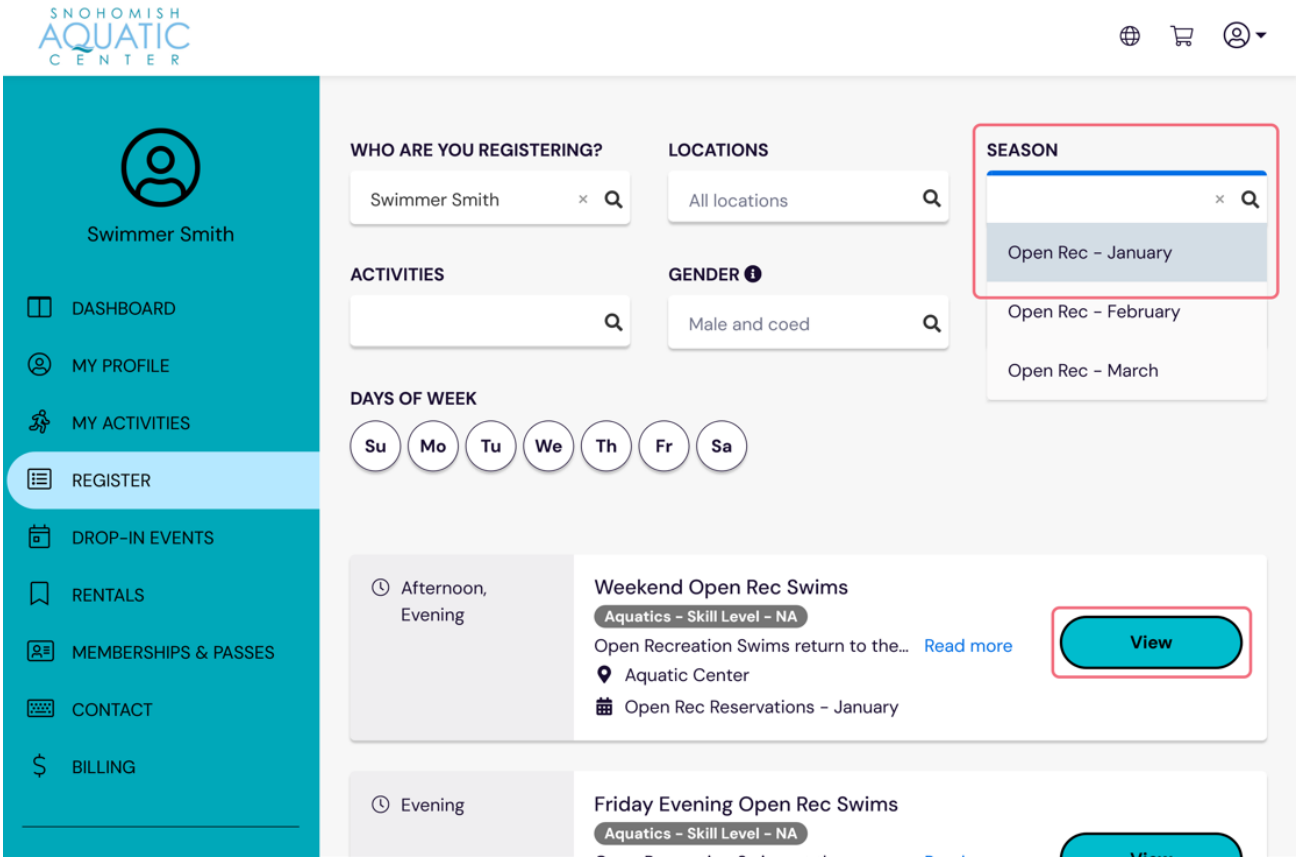

- Log in with your credentials.
- Here is what the new dashboard will look like.

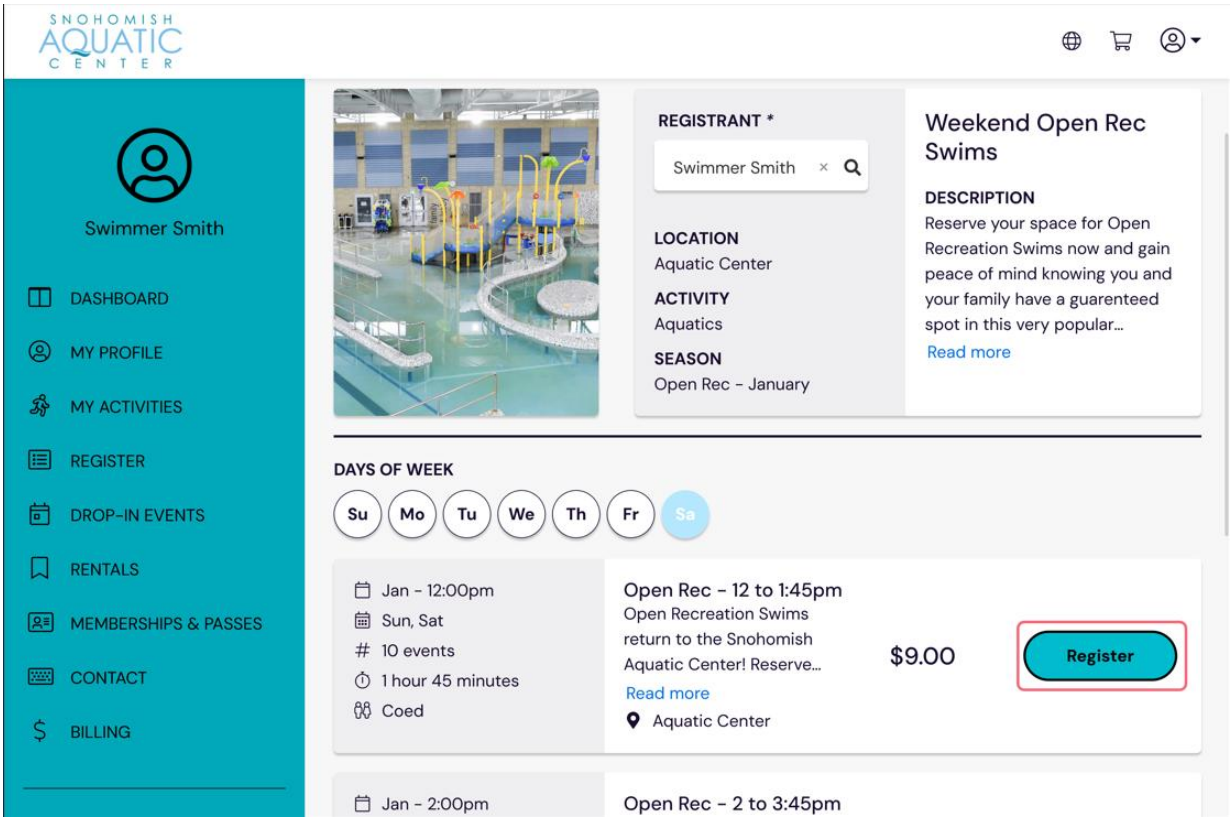

- Click “Register” from either the center or on the left-hand side bar.

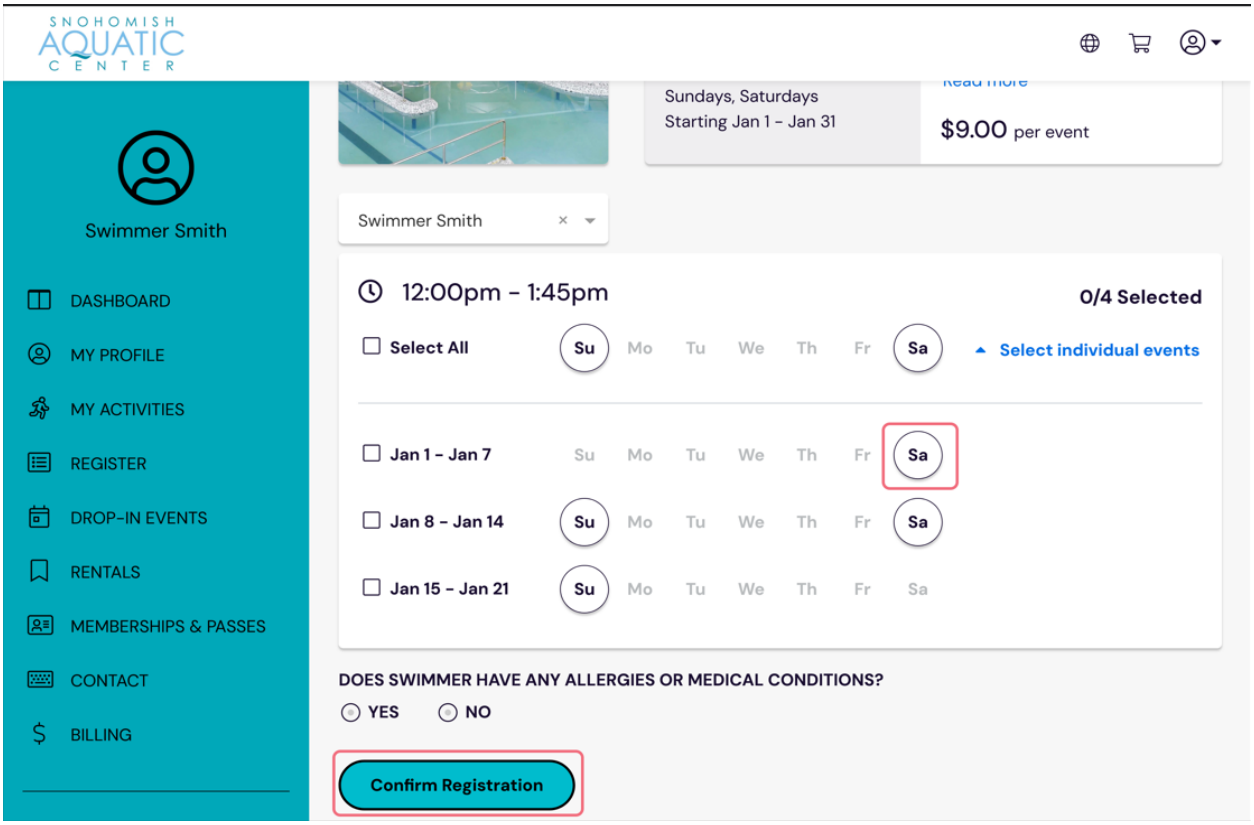

- On this screen, first select “Who are you registering?” You should see all the family members who have been entered into the system in the drop-down bar.
- Select one of the adults on the account. Note: You will need to register for each attending family member individually.
- Next, click on the “View” button for Open Rec Swim Pre-Registration.

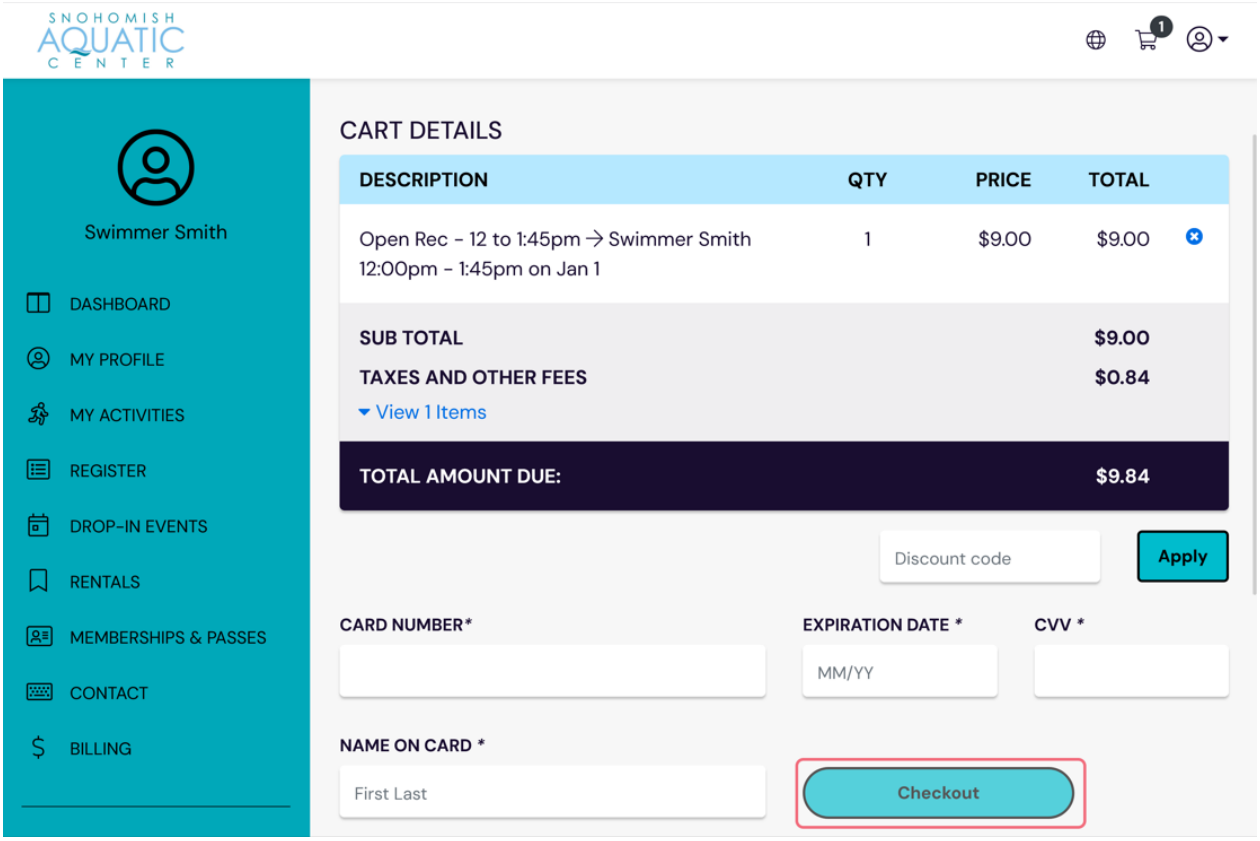

- On this screen, the name you selected will be in the upper left-hand corner.
- Please select the “Season” drop-down to select the month for which you’d like to register for Open Recreation Swim.

- After selecting the season, scroll below to find the date and time you'd like to attend Open Recreation Swim.
- When you find the swim time you'd like to select, click "Register."

- On the next screen, please verify the date and time you'd like to attend Open Recreation Swim.
- Double check the information on the right side is correct.
- Please continue with the allergies and medical conditions section.
- Repeat these steps for each person attending Open Recreation Swim.

- Continue with payment information and click “Checkout”.
- Note: Open Recreation Swim times are not reserved until after payment is processed.
