INTRODUCTION

Welcome to the Pasadena Unified School District Primary Health Clinic. We are a child-friendly low cost, community clinic conveniently located at the District's Board of Education.

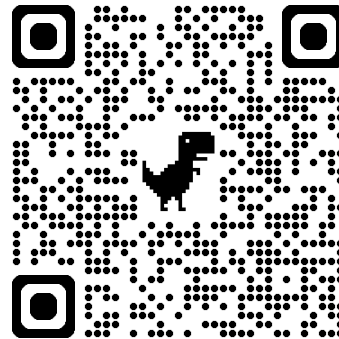

The clinic is staffed by a Nurse Practitioner and serves children aged 0-18 years who reside in the Pasadena, Altadena, Sierra Madre and Greater San Gabriel Valley areas. Our Nurse Practitioner is Doctorate prepared and nationally certified. Our supervising physician, John Rodarte M.D. ensures high quality pediatric care.

Most of the children seen in our clinic are uninsured or underinsured. We also offer many services to the children in our community for a nominal fee.

We welcome you to come in or call for an appointment.
