School district or school bus contractor personnel who discover, or to whom it is reported, that a student has been left on a school bus must immediately report the incident to the owner/operator of the vehicle. If the contractor fails to

comply with this provision, the contractor may be required to show cause why this failure to comply is not deemed to constitute a breach of contract and may set aside and annul the contract.

2. The contractor must execute the contract and submit it to the district board of education with all required related documents for the district board of education to comply with the timeline for submission of contracts to the county superintendent. Bid Guarantee

1. Each bid must be accompanied by a bid bond, cashier's or certified check for a minimum of five percent (5%) unless a greater percentage is specified by the board for **5%** percent of the amount of the annual contract cost. In no case may the certified check, cashier's check or bid bond exceed \$50,000. No other form of guarantee is authorized. This guarantee must be made payable to the Board of Education. The deposit will be forfeited if the bidder refuses to execute a contract. Otherwise, checks will be returned when the contract is executed and a surety (performance) bond is filed with the Board of Education. The bid guarantee is identified by the bid number assigned to the bid for which it is submitted. The bid guarantee for all unsuccessful bidders, except for the three lowest bidders, will be returned within 10 days after the bid opening (Saturdays, Sundays and holidays excepted).
