CRAFT LAB

An elevated crafting experience for older elementary students! Campers will design and create projects while learning planning, problem-solving, and creative independence. From wearable designs to market-ready creations, students will explore craftsmanship and even participate in a fun “Maker Market” showcase at the end of the week.

WHEN: June 8th-12th - 8:30-11:30AM

WHERE: New Palestine High School

WHO: Students entering Grades 3-5

Register: bit.ly/registerforcamps

ATHLETE LAB – THE SCIENCE OF SPEED, STRENGTH, AND RECREATION

Athlete Lab is a hands-on performance camp for students entering grades 6–8 who want to understand how to become faster, more explosive, and more confident athletes. This camp blends athletic training with sports science in a fun, competitive environment.

WHEN: June 8th-12th - 8:30-11:30AM

WHERE: New Palestine High School

WHO: Students entering Grades 6-8

Register: bit.ly/registerforcamps

MIDDLE SCHOOL VEXIQ ROBOTICS CAMP

Students entering grades 6-8 will build a robot, and ultimately anything they can imagine as they learn with VEX IQ. No prior knowledge in Robotics is required. Campers will build a robot compatible with the 2026-27 VEX IQ Game Challenge!

WHEN: June 8th-12th - 8:30-11:30AM

WHERE: New Palestine High School

WHO: Students entering Grades 6-8

Register: bit.ly/registerforcamps

CRAFT LAB JUNIOR

A hands-on craft camp designed for our young creators! Campers will build, design, and decorate fun take-home projects each day — from wearable crafts to room décor and sensory creations. With step-by-step guidance, movement breaks, and lots of encouragement, children will strengthen fine motor skills, creativity, and confidence in a playful, supportive environment.

WHEN: June 8th-12th - 12:30-3:30PM

WHERE: New Palestine High School

WHO: Students entering Grades K-2

Register: bit.ly/registerforcamps

YOUNG CHEFS

This cooking camp will teach students how to cook and bake some basic foods. Students will learn basic kitchen safety and measurement techniques, as well as learning to read and implement recipe instructions.

WHEN: June 8th-12th - 12:30-3:30PM

WHERE: New Palestine High School

WHO: Students entering Grades 6-8

Register: bit.ly/registerforcamps
