

## 2026 Spring & Summer Field Hockey Camps

Come play field hockey this spring and summer at our camps hosted by the High School Field Hockey Team and Booster Club!

All players in Kindergarten through 7th Grade are welcome.

Our camps are designed for all skill levels, from beginners to advanced players. Equipment is available to borrow if needed.

## 2026 Annual May Spring Clinic

Dates: Monday, May 18 – Thursday, May 21

Time: 6:00 PM – 8:00 PM

Location: Stadium Turf Field

Cost: \$80 per player

To ensure access to the turf field, the clinic will run from 6:00–8:00 PM each evening.

This clinic is open to Kindergarten through 7th grade players. Participants will learn new skills, play small-sided games, and dive deeper into the fundamentals of field hockey.

We understand that spring sports may still be in season—if your player needs to arrive late or leave early, that is absolutely okay.
