**Special Meeting following Deliberative Session
February 4, 2016

**Timberlane Regional High School

Plaistow, NH**

Board Members Present

Rick Blair, Peter Bealo, Rob Collins, Donna Green, Jack Sapia, Susan Sherman, Gregory Spero, Nancy Steenson, and Kelly Ward.

Administrators Present

Dr. Earl Metzler, Superintendent of Schools

The board met from 9:55pm-10:00pm immediately following the deliberative session to discuss warrant article changes that occurred at the deliberative session.

Madam Chair Steenson advised the board she spoke with district counsel immediately after the session regarding the changes to articles 6 and 9 and reported his opinion was that the changes to these articles did not warrant the need to reconsider recommendation notations. Changes to Article 6 were exclusive to the intent statement and not the actual article language itself, and Article 9 added new language relative to its advisory and nonbinding status, however; the board did not have a recommendation notation on this article in the first place.

Board members expressed their concern that counsel was not invited to the meeting to share this information with the board personally as well as to the confusion of whether or not this special meeting was going to be held. It was noted the confusion about the meeting was due to a miscommunication.

With no further discussion Mrs. Sherman motioned to adjourn; seconded by Mr. Bealo. The motion carried and this special meeting ended at 10:00pm.

Respectfully submitted,

Catherine Belcher
