MISSION STATEMENT

In the Roman Catholic tradition, Immaculate High School fosters the development of the whole student by nurturing individual spiritual, moral, intellectual, physical and social growth through an academically rigorous college preparatory curriculum that encourages respect, responsibility, reverence, creativity and leadership.

Overview

Immaculate High School, a Diocesan-sponsored Catholic college preparatory school, provides a challenging academic education in a wholesome and disciplined environment. Because Immaculate High School values character formation, moral development and spiritual direction, religious education is an integral part of the curriculum. Immaculate High School welcomes students from all religious and cultural traditions.

Immaculate High School is honored to be recognized by Niche as the #1 Catholic Co-Ed High School in Connecticut, a distinction awarded by the national organization that evaluates schools from elementary through college using U.S. Department of Education data

and verified student and parent reviews. With a student counselor ratio of 95:1 and a student-teacher ratio of 11:1, Immaculate provides a highly personalized college-preparatory experience featuring 21 Advanced Placement courses, nine dual-enrollment opportunities with colleges and universities and professional certifications in nursing, graphic arts and technology. In the 2026 Niche rankings, Immaculate also placed among the top 2.5 percent of schools nationwide, earning recognition as the #3 Best Catholic High School in Connecticut and the #12 Best High School for Athletes out of 249 statewide.

Wendy Neil
Head of School

SCHOOL LEADERSHIP

Wendy Neil serves as the Head of School at Immaculate High School, providing leadership for academic programs, schoolwide policies and ongoing institutional improvement.

This administrative structure was designed to strengthen alignment with the school's mission and ensure progress toward annual SMART goals and long-range strategic priorities. The Leadership Team meets weekly to collaborate on academic planning, student life, teacher support and day-to-day operational needs.

In her daily role, the Head of School reports to the School Board of Directors and oversees all non-teaching and non-athletic departments, including the Business Office, Admissions, Facilities, Communications, Alumni Relations and Advancement. She is supported in upholding the school's Catholic identity by School Chaplain Father Philip Phan.

Joseph T. Draper
Chairperson

BOARD OF DIRECTORS

The Immaculate High School Board of Directors was formed in July 2021 and plays a vital fiduciary role in advancing the school's mission and strategic priorities. Composed of dedicated volunteer members, the Board brings professional expertise to key areas including Spiritual Life, Finance, Development, Alumni Relations, Athletics, Enrollment, Facilities and Technology.

The Board meets monthly with school leadership to review operations, financial planning and campus needs, while also setting ongoing goals focused on school improvement. Members of the Board report to the Most Rev. Frank J. Caggiano, who serves as the Member of the Board. The current executive officers are Mr. Joseph T. Draper, Chairperson; Mr. John Capilli, Vice Chairperson and Mr. Robert O'Neill, Finance Chair. A full listing and biographies of the 2025–26 Board of Directors, along with the Board's mission, are available on the school's website at <https://www.immaculatehs.org/discover-ihhs/board-of-directors>

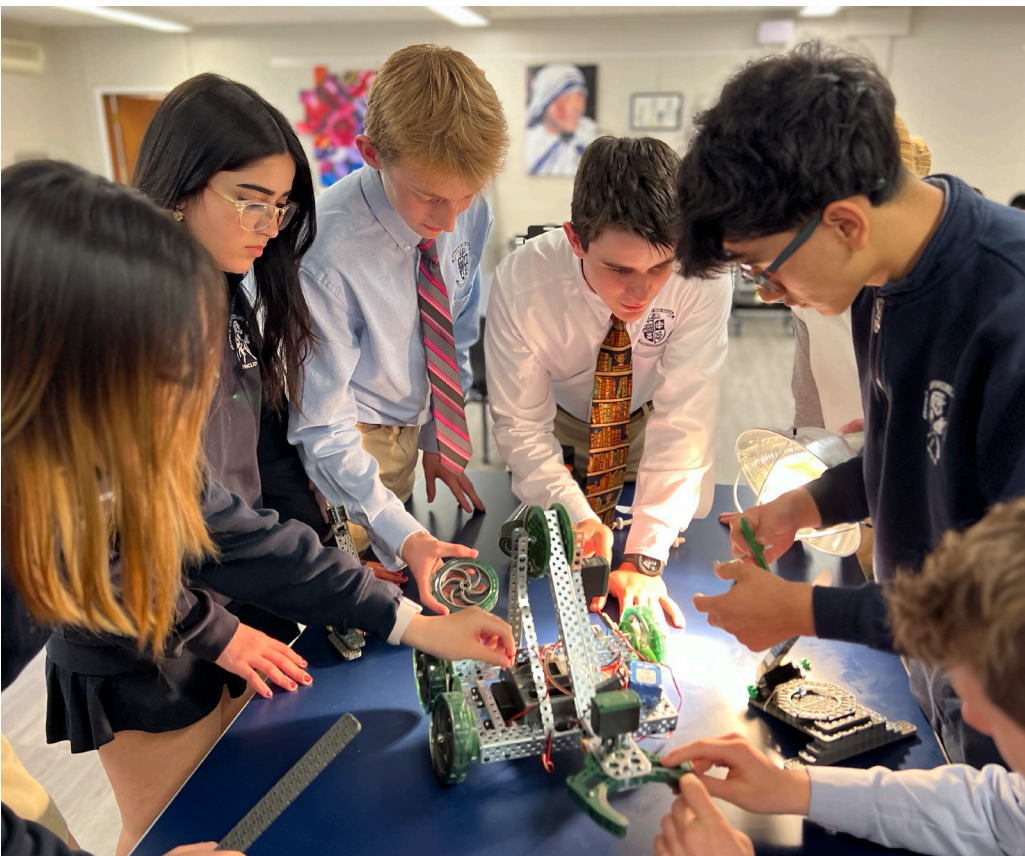

John Capilli
Vice-Chairperson

CURRICULUM

Immaculate High School's academic program is exclusively college preparatory. Our courses are designed for students who are preparing to continue their studies after our secondary education. They are taught with high expectations for depth and comprehension, including independent work. Honors courses are designed to be rigorous, challenging, fast-paced and with an expectation of extensive work outside the classroom. IHS features 50 honors level courses in English, Social Studies, World Language, Mathematics, Science, Business and Fine Arts. Immaculate offers an Advanced Placement Program that is administered by the College Board and consists of standardized high school courses that are equivalent to undergraduate college courses.

Immaculate offers 21 AP courses in the traditional classroom setting, which include Biology, Calculus AB, Chemistry, Computer Science A, English Language & Composition, English Literature & Composition, Macroeconomics, Physics Part 1, Physics Part 2, Psychology, Spanish Language & Culture, Studio Art: Drawing, Studio Art: 2-D Design, U.S. Government & Politics, U.S. History (college level) and AP Statistics. Immaculate offers nine dual enrollment college level courses in partnership with Quinnipiac University, University of Connecticut and Western Connecticut State University.

Our Class of 2025 has reported the following college acceptances!

% of Total AP Students with Scores 3+	59	74	66	87

Historically, 100% of Immaculate High School graduates continue their education.

A Celebration of Faith and Motherhood

The Immaculate High School community gathered for one of the most meaningful traditions of the school year: a celebration in honor of the Solemnity of the Immaculate Conception of the Blessed Virgin Mary. Immaculate added a new element to the service this year—honoring earthly mothers by designating it a Mass for Mothers. The morning was marked by prayer, gratitude and a deep sense of connection to the school's patroness and to the women who nurture and support students each day.

This year's celebration was also made especially memorable by the presence of Bishop Frank J. Caggiano, who presided over the Mass and delivered a heartfelt homily that resonated deeply with students, faculty and families. Reflecting on the example of Mary's courage and trust in God, the Bishop invited students to consider how faith shapes their daily choices and relationships.

"Anyone who is a mother, your mother and mine, deserves our honor and respect...not simply because they bore us into the world but because they care for us, they protect

us, they feed us, they guide us, they challenge us, they discipline us, they put up with you—with me. All because of love," Bishop Caggiano told students.

Mothers from across the Immaculate community were welcomed as honored guests, and each received a commemorative flower when greeted by their student, as an expression of appreciation. For many students, the experience offered a moment to pause and recognize the love and guidance of their mothers and mother figures.

Bishop Caggiano reminded students that they are at Immaculate to learn at the feet of our Lady about how to build a purposeful life. "You are learning here not just the truths that will make you successful and to have a good career but to learn the things that are eternal," the Bishop told Mustangs. "There are three things that matter Saint Paul tells us: faith in the only God that lives, hope that we are walking to heaven and love which is the gift of our very self to everyone around us—and the greatest of these is love."

Dr. Ian Smith '87 Delivers Keynote at Catholic Charities Event

Immaculate High School was honored to see alumnus Dr. Ian Smith '87 serve as the keynote speaker at the Catholic Charities Annual Celebrity Breakfast. Dr. Smith delivered a powerful and heartfelt address reflecting on his roots in Danbury and his formative years at Immaculate, emphasizing the importance of treating others with dignity, leading with purpose and embracing life with enthusiasm. He also credited longtime faculty member Mr. Robert Plumb for having a lasting influence on his personal and professional journey.

Commended Students

Immaculate also boasts three seniors who have been named Commended Students. These members of Immaculate's Class of 2026 are Ryan Beverly of Bethel, Emma Scheckner of Redding and Alicia Ventresca of Sandy Hook. They are among only 34,000 students nationwide who are designated as Commended Students.

Three Immaculate Students Awarded Prestigious STEM Scholarships

The Angeles T. Arredondo Foundation in Stamford, Connecticut, recognized three Immaculate seniors with prestigious STEM (Science, Technology, Engineering and Mathematics) scholarships designated for their college pursuits. Emma Scheckner '26 of Redding was awarded a first prize of \$50,000, Alina Budzynski '26 of Southbury earned a second prize of \$25,000 and Alicia Ventresca '26 of Sandy Hook received a third prize of \$10,000. Immaculate makes it an academic priority to offer students cutting edge STEM classes.

"Brave Engineers" Come in Second Place Nationally

How do aircrafts safely deliver cargo to ground crews in a wildfire? Immaculate's "Brave Engineers" team set out to tackle this question and won second place nationally for its answer! The Immaculate squad used its knowledge in the areas of STEM (Science, Technology, Engineering, and Mathematics) to win first place in the Real World Design Challenge State Competition for Connecticut for the seventh year in a row. It then went on to compete in the RWDC National/International Competition May 3 where it earned second place honors.

Mustang Scholars Recognized in 2026 National Merit Scholarship Program

Immaculate High School was proud to announce that Hannah Trotman '26 of Ridgefield was named a finalist in the 2026 National Merit Scholarship Program. Trotman was selected from more than 16,000 semifinalists announced by the National Merit Scholarship Corporation in the fall.

Immaculate High School is proud to announce that it now ranks as the #1 Catholic Co-Ed High School in Connecticut. In Niche's 2026 school rankings, Immaculate earned an overall A+ grade—placing the school among the top 2.5% of high schools nationwide—and moved up to #3 among all 19 Catholic high schools in the state. It was also ranked #12 Best High School for Athletes out of 249 Connecticut schools. We are humbled and grateful for this recognition, which reflects the strength of our community and the dedication of our students, families, faculty and staff.

New “Walk of Champions” Celebrates Student-Athletes!

Immaculate High School launched a new school tradition this year—the Walk of Champions—honoring student-athletes whose hard work and dedication earned them state championship titles. The inaugural celebration Friday, November 21 recognized the 2025 Boys Golf Team and the Girls Field Hockey Team, both of which captured state championships this fall. It also paid tribute to Cathryn Amos '26, a member of Immaculate's Cheer Team who earned All American honors.

Immaculate Boys Golf Team Wins State Championship

The Immaculate Boys Golf Team captured the 2025 CIAC Fall Division II state championship, securing a thrilling victory by the narrowest of margins. In an intense competition that came down to the final strokes, our Mustangs edged out Weston High School by just one shot, finishing with an impressive team score of 303 to Weston's 304. This razor-thin win highlights the team's focus, consistency and determination under pressure.

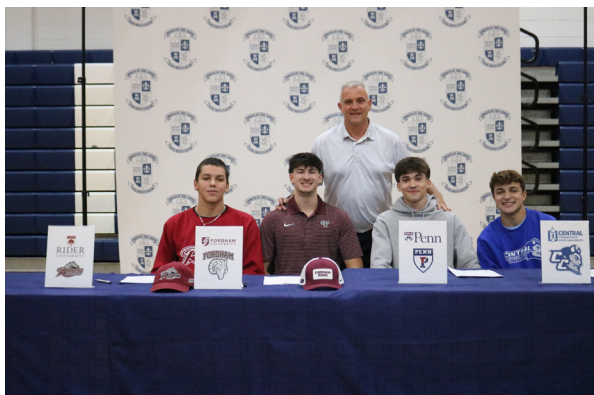

Field Hockey Crowned State Champions After Dramatic Victory

The Immaculate Field Hockey Team captured the state championship in a thrilling 3–2 victory over Granby Memorial High School. The Mustangs showed remarkable heart and determination from the opening whistle, fighting for every possession and leaving everything on the field. With 5:35 left in regulation, Abby Hall delivered the game-winning goal, sealing the championship for Immaculate in unforgettable fashion.

Immaculate Celebrates Division I Commitments on National Signing Day

Immaculate High School honored four senior student-athletes continuing their academic and athletic careers at the Division I level during a Fall Signing Day ceremony on November 12, 2025, in the Bobby Plumb Gymnasium. This year's signees included Lorenzo Lopes of Danbury, who will run cross country and track at Central Connecticut State University; Brenan McCabe of Patterson, NY, who will compete in track at the University of Pennsylvania; Christian Robitaille of New Milford, who will play baseball at Fordham University; and Stefan Weber of Danbury, who will swim for Rider University. Congratulations to all four on this remarkable achievement!

Our Immaculate Mustangs continue to give back in meaningful ways! Students volunteer regularly throughout the region, offering their time, talent and compassion to support individuals and families in need. This year's service projects ranged from community fundraisers to food and clothing drives, crafting items for those facing medical challenges, preparing meals for the hungry and assisting local organizations with hands-on support. Each year, Immaculate students contribute an impressive average of 21,000 service hours—living out our mission to lead, serve and make a lasting impact.

Student Spirit Shines at Casual Day

Immaculate kicked off its first Casual Day of the year, proudly organized by our Youth Volunteer Corps—part of a larger national service network that empowers young people to make meaningful contributions in their communities. Students and staff showed tremendous generosity, raising funds that will directly support individuals and families in need throughout the local area.

Mustangs Rally on the Court—and for a Cause

Immaculate's Volleyball Teams brought both passion and purpose to the court during their matchup against Newtown. In addition to an energetic and spirited game, our Mustangs hosted a bake sale that raised funds in memory of Matthew Hatcher '27, whose life and legacy continue to inspire our community. The blue and white Stable packed the stands with pride, enthusiasm and unwavering support, creating an atmosphere that truly embodied Mustang spirit.

Mustangs Support Breast Cancer Awareness

Immaculate's Girls Volleyball Teams welcomed Weston for a powerful Dig Pink matchup filled with energy, purpose and Mustang pride. The evening combined spirited competition with a shared commitment to supporting breast cancer awareness, drawing families, students and fans together in an inspiring show of solidarity. The event was made possible through the dedication of our players, coaches and families—especially the team parents whose hard work brought the night to life.

Immaculate Students Earn Three Halo Awards for Theater Excellence

Immaculate is proud to announce that our students have received three Halo Awards, recognizing outstanding achievements in high school theatre across more than 90 participating Connecticut schools. This past year, honors were awarded to Spencer O'Rourke '25 of Brookfield for Best Student Director for *Little Women*, Abigail Ransley '26 of Danbury for Best Original Music in a Play for *Little Women* and the entire cast of *Anything Goes* for Best Classical Musical. We congratulate all of our talented performers, musicians and crew members on this remarkable accomplishment!

Immaculate's domestic enrollment grew 4.4% for the 2025-2026 academic year, with the freshman class domestic enrollment jumping from 88 to 120 students – a 36.4% over the prior year. We experienced a slight decrease in international student enrollment this past year with current external headwinds suggesting this trend may continue.

Immaculate's admissions process blends innovation with authentic storytelling. Investing in modern technology via a powerful CRM, alongside personal engagement to build genuine connections with our families, allows us to attract mission-centric students. Our comprehensive enrollment strategies include a robust Parent Ambassador Program, along with over 200 student ambassadors, a strong online marketing and social media presence and a host of opportunities to visit our school; each has provided ways for families to discover our value proposition. Positive reviews from our community have helped bolster Immaculate's ranking among CT high schools to the #1 Catholic Co-Ed High School in CT (Niche 2026).

Our vibrant community continues to attract families who value academic excellence, along with opportunities to grow in faith and character. Growing price sensitivity is becoming an increasing factor for accessibility to our school. As competition in the private school market continues, with tuition assistance offerings becoming more aggressive, the potential of its effect on our yield is recognized.

FACILITIES

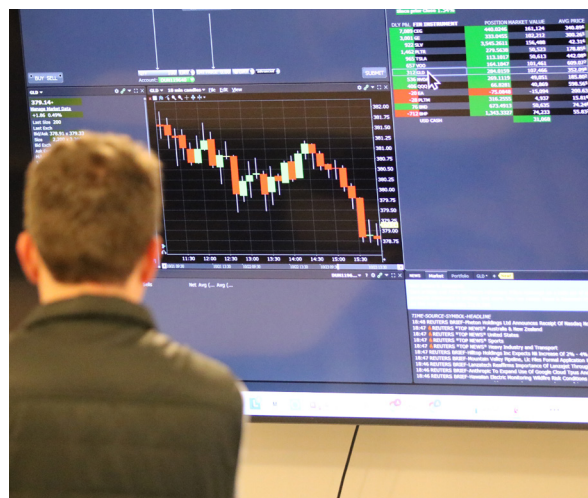

Immaculate Unveils Cutting Edge Business Innovation Center and eSports Lab

Immaculate High School officially opened its new Business Innovation Center on October 23, celebrating a state-of-the-art space designed for hands-on business education, entrepreneurship and leadership. The ribbon-cutting welcomed faculty, alumni, community partners and Danbury Mayor Roberto Alves.

The project was supported by Immaculate alumni and former NFL coach Chris Palmer '68 and Rob O'Neill '91, CFO of Teva Pharmaceutical. "The business world is increasingly grappling with complex ethical dilemmas, particularly around the use of Artificial Intelligence," O'Neill said. "Addressing these challenges requires more than technical expertise—it demands a foundation rooted in ethics, empathy and service. Immaculate's Business Innovation Center is uniquely positioned to prepare students for this reality."

Palmer added, "I think this is yet another thing that sets Immaculate apart from other schools. If you come for a visit and have any inkling for doing something in business, this center is going to jump out at you. I think it's going to take off—and it's fun!"

Just down the hall, Immaculate also celebrated the opening of its new eSports Lab—home of the reigning state champion Mario Kart team. The gaming facility rivals those found on college campuses, offering individual gaming stations, LED lighting, ergonomic seating and the professional-grade environment competitive players expect.

“Co-Captain Ryan Beverly '26 of Bethel said he was “beyond surprised” when he learned the team would receive its own space. “The room was designed with professional eSports setup in mind, and it worked out perfectly to look just as good as the pros,” he said.

High school eSports is one of the fastest-growing extracurriculars in the country, with thousands of schools now fielding competitive teams. The Mustangs captured the Mario Kart State Championship for the third straight year this fall at Quinnipiac University.

“The students love having their own room, and the chairs make it feel like a real eSports setup they see their favorite YouTubers using,” said eSports Coach David Quesnell. “Now they have a dedicated space—just like the Volleyball Team has a court and the Football Team has a field.”

FINANCIAL OVERVIEW

Immaculate High School remains financially stable and committed to sound financial stewardship in support of its mission and long-term financial stability.

Careful budgeting, disciplined expense management and ongoing financial oversight by the administration and Board of Directors have allowed the school to operate responsibly in a challenging economic environment.

Tuition revenue continues to be the primary source of operating income, supplemented by annual fundraising and other donor support. Expenses are closely aligned with strategic priorities, with particular focus

on academic excellence, student support and faculty retention while maintaining financial controls. Financial aid is allocated thoughtfully to balance accessibility with fiscal responsibility.

As of June 30, 2025, the school's endowment balance totaled \$725,800. The funds are invested prudently and are intended to support students through scholarship assistance.

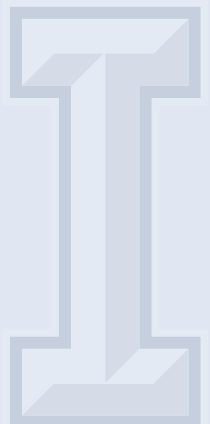

To ensure accuracy, transparency and adherence to accepted accounting standards, Immaculate High School conducts an annual audit with PKF O'Connor Davies, LLP, financial reports below:
