

Note: Due to various factors, including the volume of participation from districts, contract negotiations for products and services being purchased and delivered within this contract, possible funding changes for districts or ESC Region 11, and other factors, this contract is offered in good faith but does not become binding until September 1, 2026, on either the district or ESC Region 11. If this contract pricing is based on enrollment, the previous year's PEIMS enrollment snapshot submission number from October will be used to determine pricing. This contract is contingent upon the continued availability of appropriations and is subject to cancellation by either party upon thirty (30) days written notice to the other party. Payment for valid fees or charges rendered by the ESC Region 11 prior to written notice of termination shall be due to ESC Region 11. Early acceptance of this contract is necessary so that ESC Region 11 can plan and prepare to deliver these services. An alternative contract may be offered if this contract cannot be delivered as stated.

Program Reviews, conferences, in-depth coaching, training that leads to certifications, and occasional fees for materials will incur various charges based on needs.
