

*Note: Due to various factors, including the volume of participation from districts, contract negotiations for products and services being purchased and delivered within this contract, possible funding changes for districts or ESC Region 11, and other factors, this contract is offered in good faith but does not become binding until September 1, 2026, on either the district or ESC Region 11. If this contract pricing is based on enrollment, the previous year's PEIMS enrollment snapshot submission number from October will be used to determine pricing. This contract is contingent upon the continued availability of appropriations and is subject to cancellation by either party upon thirty (30) days written notice to the other party. Payment for valid fees or charges rendered by the ESC Region 11 prior to written notice of termination shall be due to ESC Region 11. Early acceptance of this contract is necessary so that ESC Region 11 can plan and prepare to deliver these services. An alternative contract may be offered if this contract cannot be delivered as stated.*

## TEKSbank Contract

The Instructional Services Division offers the following services and discounts to school districts/charter schools that sign the TEKSbank Contract:

### Services Included

The newly redesigned product has improved and increased the number of items in the item bank. The repository of more than 75,000 assessment questions is mapped to the TEKS. They can be used to create online or offline (paper) assessments to gauge student progress in the areas of language arts, math, science, and social studies for grades K-12. Spanish items are currently available for grades 2-5. Additional items (both Spanish and English and for various academic areas) are added to the item bank at regular intervals.

The TEKSbank program will allow users to:

- Design formative and summative assessments
- Access questions in the four core subject areas
- Search by standard or keyword
- Change content within the question
- Reduce answer choices
- Change images within the question
- Organize text into categories
- Use tabs to navigate within the system
- Change the layout, type, and resources
- Share tests with other users
- Access online digital assessment tools (STAAR Redesign)
- Utilize interactive Assessment items (STAAR Redesign)
- Take advantage of increased accessibility and linguistic features (highlighting alt text, etc.)
