

# THE WARRIOR FOUNDATION

At Oconee County High School, we acknowledge that the strength of our athletic programs is a direct reflection of the community that stands behind them. The Warrior Foundation is more than just a booster organization-- it is the heartbeat of our student-athlete experience, dedicated to providing the resources and support necessary for our students to compete at the highest level. We value this partnership because it bridges the gap between OCHS's storied tradition and our future excellence, ensuring that every student has the opportunity to build a lasting legacy with their team, school, and community.

By investing in the Warrior Foundation, you're not just sponsoring a team, you are joining a lifelong community committed to the belief that *once a Warrior, always a Warrior.*
