During this session, parents will take an active role in shaping our school’s future. Together, we will:

- **Create the Campus Parent–Teacher–Student Compact** for the 2026–2027 school year
- **Share ideas** on how our campus can increase parent excitement, engagement, and involvement
- Discuss opportunities for **parent-led workshops, presentations, volunteer roles, and hall monitors**
- Explore ideas for establishing **Parent Booster Clubs**
- Plan **community activities and partnerships**
- Strengthen **collaboration between parents, teachers, and school leadership**

This is your opportunity to **listen, discuss, express ideas, and help guide the direction of our campus**. Our goal is to improve the quality of parent engagement, involvement, and collaboration across the entire Raider community.

As a thank-you for your participation, **Raider Bucks** will be distributed for parents to use in our school store.

Parents, **we need you**, our students need you, and our community is depending on your partnership. Your voice is essential, and we look forward to seeing you there!
