Good Evening WCHS Parents and Incoming 9th Grade Families,

We're excited to partner again with Options For Youth (OFY) to offer free summer classes for enrichment or credit recovery. We encourage enrolling your child for academics or WCHS athletics.

Our teachers will facilitate academic courses using Edmentum, a web-based, media-rich curriculum that can be accessed on any school-issued or personal device with internet. The program is research-based, interactive, A-G approved, and aligned to California State Standards.

Register Here: [PART 1: 2026 Summer School Information Release](#)

When you complete the WCUSD Google form "PART 1: 2025 Summer School Information Release", **you will not be given the option to pick your child's classes.** Instead, your child's school counselor will be selecting the class for them. Counselors will prioritize make-up classes first, then original credit classes. For example, if your child received an F in English II, your child will be enrolled in English II instead of another class for original credit. You may [contact your child's school counselor](#) if you have questions about what summer school class(es) your child will be recommended to take.

Summer School is based on a first come first serve basis. We do our best to accommodate as many students as possible, but we cannot guarantee admission to Summer School for any student.

To assist with the registration process and to answer any questions, you're strongly encouraged to attend this online information session. For any further questions regarding academic Summer School, please contact Dr. Josefina Steinmetz, Assistant Principal, at j.steinmetz@wcusd.org

Respectfully,

Josefina I Steinmetz Ed.D.

Principal of Summer School
