Principal Reveals He's Got Serious Sole Style—With 70+ Pairs to Prove It!

Ever wonder what our principal does in his spare time? Well, he has a seriously, impressive hobby—and it's all about sneakers.

During a recent chat with Mr. Newsome, I discovered that he isn't just walking the halls in any old shoes. He's got a massive sneaker collection that would make any sneakerhead jealous: at least 70 pairs and counting!

But here's where it gets wild: Mr. Newsome has dropped a whopping \$230 on his favorite pair. When I asked what made them so special, he didn't hesitate. "Comfort," he explained, pointing out that his go-to kicks are Adidas Ultra Boost and Nike Vapormax—both so cozy that he says it's almost impossible to pick a favorite. So next time you spot Mr. Newsome in the hallway, take a closer look at his feet. There's probably a story behind those sneakers.

THE LIBRARY JUST LEVELED UP

By: Jax Conner

Take a look at our new and improved library.

During an interview, Mrs. Widell mentioned that they were putting the final touches on the library revamp, which includes adding new books and reorganizing the shelves. In an effort to make the library more user-friendly, the fiction section will no longer be sorted solely by author. Books will be arranged together by genre, such as; horror, romance, and historical fiction for easier browsing. Whether you're looking for a quiet place to focus, a space to collaborate with friends, or resources for your next school project, stop by and check it out.

Joke of the day ...

Why don't scientists trust atoms?
Because they make up everything!

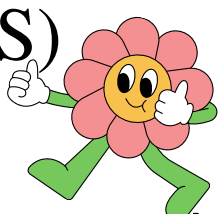

TESTING STRATEGIES FOR IREADY

- **Take Your Time:** Do not rush. Rushing can result in getting questions wrong and potentially having to restart the test.
- **Use Scratch Paper:** For math, always use paper and pencil to work out problems.
- **Don't Panic on Hard Questions:** The test adapts, so if you miss a question, easier ones will follow to find your level.
- **Rest and Eat:** Get a good night's sleep and eat a healthy breakfast.
- **Read Carefully:** Read all passages, questions, and answers thoroughly.
- **Best Guess Policy:** There is no penalty for guessing, so never leave a question blank.
- **Take Breaks:** If you feel tired or anxious, take a short break to maintain focus.
