INTRO TO TAPA

What is Intro to TAPA?

Intro to TAPA (Talon Academy of Performing Arts) is a comprehensive after-school musical theatre enrichment program designed for students in grades 6th–8th seeking focused, high-quality performing arts training.

Modeled after a **conservatory-style curriculum**, this program provides structured instruction in the three core disciplines of musical theatre: **acting, vocal performance, and movement**. Students develop foundational technique, artistic discipline, and performance literacy through purposeful coursework led by skilled teaching artists.

Intro to TAPA gives students the chance to shine onstage while gaining valuable life skills that extend far beyond the theatre. Whether your child is new to performing or eager to take their talents to the next level, **Intro to TAPA is where young artists grow, connect, and thrive.**

Who can enroll?

Intro to TAPA is designed for students in grades 6th–8th and is open to all students, including those enrolled in homeschool, public school, and private school programs within the community.
