PTO NEWSLETTER

MARCH 2026

It can't believe we're just two months away from the end of the school year! With Spring Break behind us, it feels like a sprint for the finish. This Spring Newsletter is filled with all we've been doing since Winter Break, and a peek at what's coming. Before we jump in, I wanted to look ahead to next year. With my two-year term up at the end of this school year, there is an amazing opportunity for someone new to serve as our next PTO President. It has been a hugely rewarding experience for me, filled with planning fun events, getting to know the teachers and administration better, and allocating resources to areas that were important to me. Thankful parents, thankful teachers, excellent new friends, and regular hallway hugs from my kids have made the experience very gratifying. I plan to stick around as the PEAMs Chair (and potentially VP), and am committed to making sure any incoming President has all the resources and help they need to be successful. Just a couple hours a week can make a huge difference! **If you'd like to know more about the position, send me an email at President@Silverlakepto.org.**

Besides President, there are several other open positions on next year's PTO Board. See page 6 to learn more about those and how you can contribute. On page 2 you'll see our final Spirit Nights for the year. Grab your calendar and make plans to treat yourself to fun and ice cream! We've also shared details on our Kindness Week project as well as budget highlights showcasing how PTO dollars are making an impact on our classrooms. The last few pages are dedicated to our very generous sponsors. We couldn't do what we do without them and are so grateful for their support. We now have an outstanding 33 sponsors (**33!!!**) providing \$22,175 in support for our events and activities. Read on to see the full list of these extremely generous businesses, and consider supporting them in return.

Winter Wonderland Dance

Our amazing Family Fun Nights Chair, Tiffany Curtis, did it again with the Winter Wonderland Dance! Students, families, and our community came together for a fun and festive night filled with music, dancing, food trucks, and plenty of holiday cheer for all to enjoy. A big thank you to all of our volunteers who helped with set-up and kept everything running smoothly throughout the night. Special shout out to the awesome Sponsors who participated bringing robots, glitter tattoos, ice cream, or just lending a hand to make the event a success. **Mathnasium, Red Circle, Sweet & Sassy, iCode, G Orthodontics - thank you!**

What's next? Tuesday March 31, 5-6:30 PM, its **STARS on Wheels!** Grab your skates, rollerblades, skateboards, and scooters! We want to see all of our STARS on Wheels for our last Family Fun Night of the Year. There will be music, bubbles, a face painter and of course, Cold Stone Creamery scooping cold treats for the party. If you can lend a hand with set up, clean up, or passing out pop-corn, scan the QR to see available volunteer opportunities

Spirit Nights

Each month, families can join us for Spirit Nights at local spots to support our school and connect with friends. Through our Spirit Nights this year, we have already raised over \$900! Our Spirit Nights Chair, Paola Walker, has just a few more planned this year, including two more Ice Cream Nights (Yum!). We hope to see you there!

4th Grade Celebration

Our 4th Grade Celebration Planners, Katie Druckenbrodt and Liz Guillory, are hard at work planning an end of year celebration for our graduating 4th graders to send them off in style. Part of the fun includes a "Then and Now" photo showcase where students can see just how much their classmates have grown. Make sure your student is included! Please send in:

- One (1) baby or early childhood photo
- One (1) current photo of your 4th grader

Scan the QR code to upload your child's photos and be sure to include your their name with your submission {ENTER YOUR CHILD'S NAME WHEN PROMPTED TO ENTER YOUR NAME}. ***Please submit your photos by March 31*** so we can include everyone in this special presentation.

Kindness Week

During Kindness Week (Feb 16-20), Our Health & Safety Chair, Claire Kim, collaborated with Silverlake Counselor Mrs. Smith on a mission to spread kindness in the community. Students created handmade cards and letters thanking our local heroes, and the PTO had the honor of delivering them – along with a few thank-you treat baskets. As part of this project, we also made donations to two incredible organizations doing important work right here in Pearland. Through this initiative, we showed our gratitude to:

- Pearland Police Department
- Pearland Fire Department
- Pearland ISD Transportation
- Pearland Neighborhood Center
- Three Little Pitties Animal Rescue

We're so proud of our students for choosing gratitude, generosity, and kindness.

Hospitality

Our PTO Hospitality Chair, Callie Chakalis, has been spoiling the teachers and staff at Silverlake with special treats each month. Her efforts bring recognition, fun, and a strong sense of appreciation to our campus. In January, we provided some much needed caffeine with **Meno Coffee Cart**. In February, we kept them warm with a Hot Cocoa Bar. And just last week we hosted our Spring into Sweetness Dessert Bar! Many thanks to those of you who contributed your time and sweet treats! Coming in May we'll be planning a full week of thankfulness for Teacher Appreciation Week. We'll definitely need your help, so please keep an eye out for volunteer sign-ups!

Yearbook

Yearbook Chair, Guillame Duret, is taking on the awesome responsibility of capturing the year in photos in the 2025-2026 Yearbook. He's been sorting through class photos and making a *Groovy* layout! Help us fill the pages with your own special memories by dropping your photos in our Guestcam photo album. And be sure to order your yearbook today. You may have missed the "free pages" deadline, but it's not too late purchase this keepsake for your child. Links for the Guestcam and ordering can be found on our website!

Mathnasium PNO

The next PTO Parents Night out is at Mathnasium of Pearland. Grab yourself a night of adulting while Mathnasium brings the fun for your kiddos. They've planned a full night of K-Pop themed fun including slime, K-Pop iSpy, skittle wars, and more! All for a good cause! Cost is \$40 per child (ages 6-12) with 30% given back to the PTO. Scan the QR to Register!

Budget & Fundraising

From membership dues to fundraisers, it may seem like we're always asking for money, but we strive to be good stewards of these resources. In addition to all of the events that we host and parties that we plan, this year we decided to put the PTO budget directly into our classrooms. Here's a peek at two of those efforts!

Classroom Grants

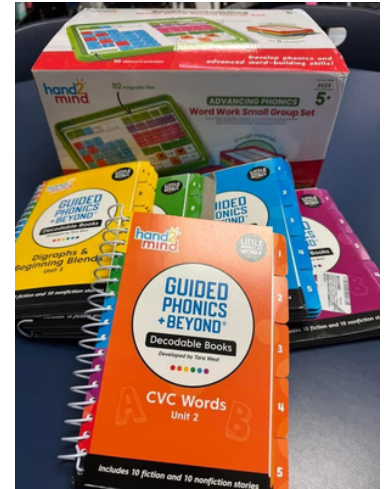

Each teacher was offered a \$200 grant to supplement their classroom supplies and activities. They've used the funds for everything from Phonics tutorials to headsets, an art easel and giant notepads, extra lighting, pens, scissors, books, writing tablets, and so many dry-erase markers. Ask your teacher how PTO grants are making a difference in their classroom!

Rewards Parties

When your kids do well, the PTO has been helping teachers reward them with fun Rewards Parties! We put

together eight fun boxes for teachers to create a mini-celebration whenever on the spot. Whether it's Bubbles & Chalk on the playground, boardgames in the classroom, or a glow party, the PTO is bringing a little fun help keep our students motivated!

Original Works Fundraiser

Help us fill the coffers ahead of end of year events like Field Day and the 4th Grade Celebration. We're excited to partner with Original Works for our last fundraiser of the year. Our students did a fabulous job creating one-of-a-kind artwork, and Original Works is ready to turn them into unforgettable keepsakes - think magnets, mugs, tote bags, and more! Scan the QR to take a peek at the many products they make to capture your child's artwork. Ordering information will be sent home with your student NEXT WEEK (along with their original artwork)! All items will be delivered in time for Mother's Day.

2026-2027 PTO Board

As we look ahead to next school year, we'd love to invite more people to get involved with the PTO! Our board helps support our students, teachers, and school community—and we're always stronger with new faces and fresh ideas.

Take a look at the open positions below. Don't see the role you're interested in? Many of our current board members are staying on, but we're always looking for extra hands. Reach out now and be part of a committee planning next year's events.

For more info, contact President@silverlakepto.org

President

The PTO President guides the team, keeps priorities on track, and supports the board to help make them successful - making sure great ideas turn into meaningful impact for Silverlake.

Sets annual priorities for PTO activities and use of funds.

Coordinates PTO activities with Principal and school administrators.

Helps PTO Board members as needed and available.

Manages overall schedule of PTO events and activities

Assists with purchasing and reimbursements for PTO activities.

Chairs periodic executive and general board meetings.

Butterfly Garden Chair: The Butterfly Garden is dedicated to plants and flowers designed to attract a variety of caterpillars and butterflies. Our Butterfly Garden Chair is responsible for planning hands-on activities to engage our students and community as they enjoy this beautiful space. Two empty beds will allow next year's chair to get creative and make their own mark on the garden.

Vice President: The PTO Vice President plans and executes fundraisers, secures sponsors by building relationships, inviting them to events and promoting them throughout the year, and generally supports the team wherever needed.

Communications Chair: Keep the community informed! The PTO Communications Chair is responsible for posting on our social media, updating our website, and periodic Newsletters as well as putting up displays on the school bulletin board.

Learning Garden: Located next to the school playground, the Learning Garden is a collection of open beds for growing fruits and vegetables. Our Learning Garden chair guides what is planted in this space and plans events for students and their families to get hands-on gardening experience.
