- 26.25 Moved by Winkhart, seconded by Gindlesberger, to approve the February 2026 Financial Forecast and Assumptions, as presented.

In October we discussed changes to the Forecast in State Law including new deadlines for Forecasts and the requirement to submit 4 years of data rather than 5. Since then, the General Assembly passed and the Governor signed the most significant property tax reform since the 1970's, the combined effect of these laws results in a significantly reduced ability for the District to obtain revenue growth necessary for sustaining operations. These effects have been built into the assumptions of this forecast.

- 26.26 Moved by Wright, seconded by Gindlesberger, to ratify the opening of a new bank account for international transactions, as presented.

In order to facilitate an international transaction from Henan University, the Treasurer's department worked with Huntington Bank to set up a new bank account. This account will be used specifically to receipt money from Henan University for the Confucius Classroom we host at Jackson High School. We expect to receive about \$100,000 and wanted to ensure that the transactions were done securely.
