____ _ Piedmont High School is not responsible for grades earned/assigned through concurrent coursework. We have partnership agreements with Southwestern Oklahoma State University and Redlands Community College. ____ _ Concurrent courses are dual credit courses, meaning the grade earned will be entered on the high school transcript as well as the college transcripts and become a permanent part of these documents.

____ _ Concurrent students may not exceed a full time college workload of 19 credit hours. Each concurrent course is equivalent to two high school classes in a student's high school schedule.

____ _ Failure to earn credit in any concurrent course taken to meet high school graduation requirements may result in summer school, credit recovery, and/or failure to earn a high school diploma. The student assumes responsibility for earning the required units for high school graduation.

____ _ Students who choose to drop/withdraw from a concurrent course must **immediately** contact their high school academic counselor so they may be enrolled in a full schedule. Failure to notify your high school counselor may result in disciplinary action, including
