7510 USE OF SCHOOL FACILITIES

The Board of Education believes the school facilities of this district should be made available for community purposes, provided that such use does not interfere with the educational and co-curricular programs of the school district. For the purpose of this policy, "school facilities" also includes school grounds.

The Board will permit the use of school facilities when such permission has been requested in writing and has been approved by the Superintendent. The Board reserves the right to withdraw permission after it has been granted in the event circumstances change requiring such school facilities or school grounds will be needed for a school district purpose or due to a school closing due to weather or other emergency.

In weighing competing requests for the use of school facilities, the Board will give priority to the following uses, in the descending order given:

1. Uses and groups directly related to the schools and the operations of the schools, including student and teacher groups;

2. Uses and organizations indirectly related to the schools, including the P.T.A., P.T.O., Home-School Association, and other school-parent related organizations;

3. Departments and agencies of the municipal government;

4. Governmental agencies;

5. Community organizations formed for charitable, civic, social, or educational purposes;

6. Community political organizations;

7. Community church groups;

8. Private groups and organizations.

The use of school facilities will not be granted for the advantage of any commercial or profit-making organization, partisan political activity, or any private social function.

The use of school facilities will not be granted for any purpose that is prohibited by law.

The point of contact person will be provided with access to the building via a custodian. The entry point for gym usage will be the corner stairs with the Gymnasium Entrance sign. All other entry points will be locked unless otherwise opened by a custodian. The

point of contact must remain at the assigned entry door or establish a designee to be the door monitor should the need arise to let in additional people throughout the event. In this way, the exterior doors will always remain in the locked position with the building secured. Propping the door open will not be permitted at any time. Should an organization be found to violate this procedure, the facility use may be revoked.

Each user shall present evidence of the purchase of organizational liability insurance to the limit as prescribed by district regulations. Each user shall inspect any facility or school grounds to be used prior to such use and shall notify a district representative of any existing safety or dangerous conditions. In the event such conditions exist, the district may cancel or modify the user's access to the school facility until such conditions are addressed. Users shall be financially liable for damage to the facilities and for proper chaperonage as required by the school district administration.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted in accordance with Policy No. 7520. The users of school equipment must accept liability for any damage or loss to such equipment that occurs while it is in their use, regardless of any assignment of negligence. Where rules so specify, certain items of equipment may only be used by a qualified operator approved by the school district administration.

The Board shall approve annually a schedule of fees for the use of school facilities based upon the following guidelines:

a. The use of school facilities for activities directly related to the educational program and district operations shall be without cost to the user except that the user shall be responsible for any custodial costs incurred by the use and any fees charged by a law enforcement agency in connection with the use.

b. All other organizations or persons granted the use of school shall pay in advance the scheduled fee and the cost of any additional staff services required by the use.

c. The user must, in consultation with the CSA or designee, anticipate the need for the assistance of police officers, fire fighters, and/or parking attendants. All such services must be arranged by the user and will be at the expense of the user. When a user refuses or fails to secure police, fire, and/or parking assistance after having been advised to do so by the CSA or designee, may recommend that permission to use the facility be withdrawn. The need for extended security will be at the purview of the CSA based upon the size and type of event. The fees associated with security may be waived by the CSA with the approval of the BOE.

The school district shall provide a copy of Policy and Regulation 2431.4 – Prevention and Treatment of Sports-Related Concussions and Head Injuries to all youth sports team organizations that operate on school grounds or in school facilities. In accordance with the provisions of N.J.S.A. 18A:40-41.5, the school district shall not be liable for the injury or death of a person due to the action or inaction of persons employed by, or under contract with, a youth sports team organization that uses school facilities or operates on school grounds if the youth sports team organization provides the school district proof of an insurance policy in the amount of not less than $50,000 per person, per occurrence; insuring the youth sports team organization against liability for any bodily injury suffered by a person. The youth sports team organization must also provide a statement of compliance with the school district's Policy and Regulation 2431.4 - Prevention and Treatment of Sports-Related Concussions and Head Injuries.

For the purpose of this Policy, a "youth sports team organization" means one or more sports teams organized pursuant to a nonprofit or similar charter or which are member teams in a league organized by or affiliated with a county or municipal recreation department.

The Board shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school hours, on the weekend, or during a period when school is not in session, information on the district's school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on evacuation procedures, emergency response protocols, and emergency contact information in accordance with the provisions of N.J.S.A. 18A:41-7.

The Superintendent shall develop regulations for the use of school facilities; such regulations shall be distributed to every user of the facilities and every applicant for the use of school facilities. Permission to use school facilities shall be granted only to persons and organizations that agree to the terms of Policy and Regulation 7510, the requirements as outlined in the use of school facilities application, and in accordance with the terms outlined in the approval granted by the school district.
