APRIL NEWSLETTER

DISTRICT NEWS

- Check out next year's **Course Selection Guide (Spanish Version)**, posted online for parents, students, and staff to access digitally. We have so many cool academic and CTE elective offerings!

SUBSTITUTE TEACHERS

Through our absence management system, Frontline, you can select your **Preferred Substitutes**; the people you select as your "Favorite Five" will receive an instant email as soon as the absence is created. The system will also call the favorite five during the next evening's call period. Setting up this feature and creating absences as soon as you know you'll be out will help enhance our fill rates. Frontline also has the capability for you to **upload lesson plans/directions** when you create the job that subs can then download and follow.

If you know **anyone interested in becoming a sub in BCS**, [share this link with them](#).
