

Professional Culinary Arts & Hospitality Work-Based Activity Plan

Mission Statement:

The mission of Immokalee Technical College is to empower students through innovating hands-on training that qualifies and prepares students for achievable employment and future career success in the workforce.

Vision Statement:

To be the leader of technical training in Southwest Florida, that cultivates student excellence through accessible and achievable workforce education and prepares them to enter employment as a skilled, knowledgeable, and productive member of the Southwest Florida community.

On-Campus Work-based Activity Plan

One of the most valuable career training experiences students can have is through the incorporation of work-based activities which allow students to gain practical experience in a replicated workplace setting on campus.

The Commercial Foods and Culinary Arts program at Immokalee Technical College has an imbedded student run cafe, called the iTown Cafe, to replicate and model the workforce they will be entering. Through this work-based imbedded training students are able to work towards mastering the skills necessary to be successful in the field of culinary Arts. Within the work-based training cafe, students not only can sharpen their culinary skills and services, but they can engage with real patrons and develop their customer services skills needed for the occupation.

In the iTown Cafe at Immokalee Technical College, the instructor and the production workshop assistants are deemed the “on-site” employers and serve as the student’s teachers, support and workplace supervisor.

Objectives

Objectives for students to move towards competency mastery during on-campus work-based activities are:

- Relate curriculum theory to hands-on practice through real customer service/ relations
