Scholarship Application Guidelines

All documents **single-sided**; no duplex

Because our Scholarship Committee cannot meet together to review applications and select finalists, we must distribute these applications to our Committee via Email. For that reason, **we require that you scan all your application/documents as a single PDF and email it to us.**

Someone you know must have a multi-function printer/scanner/fax/copier. Ask around.

Ask your school for a copy of your **transcript**, including the **fall** grades. It doesn't have to be official; it doesn't have to be in a sealed envelope. Ask them to print it out **single-sided, flat, unfolded.**

The Application page (page 3 in this packet) must be completed. If you use **Adobe Reader**, you may be able to click the 'Fill & Sign' button (in the side panel) to click in each cell and actually type your responses.

To Scan and Email: No GoogleDocs or Google Share

The scanning order of the Application Packet is important. Scan all pages into **a single PDF document**.
The correct **scanning order** is:

1. Application page
2. Transcript, all pages
3. Résumé of School Activities and Awards, **including leadership**, projects, etc.
4. Résumé of Community Involvement/Volunteerism, **including leadership**, projects, employment
5. Summary of Educational and Career Goals
6. Essay on the Rotary Motto "Service Above Self" in your life

Remember: scan all pages into a single PDF **What should you name the document???**
Use **LastFirst** (with no spaces). Examples: SmithMary or JonesRobert

As we evaluate your Application, Committee members will be paying close attention to your **service** to others (that's what Rotarians are known for) and your **leadership** in school and all other areas of your life.

IMPORTANT APPLICATION CHECKLIST:
□ I have completed **all** parts of the application including **signature** and **date**.
□ I have included all required **transcripts**. (Note: Send the most recent transcript.)
□ I am planning to email my application so that it will be **received** by May 1, 2026.
